To

W. A McINTOSH

Superintendent of the Amarillo Public Schools, we dedicate this page. He has endeared himself to the hearts of not only his corps of teachers, but to the entire student body through his personal interest and sincerity. In his four years as Superintendent, he has proved himself a man of wide vision and ability. We attribute the great degree of progress marked by his administration to his fidelity and courage. We are grateful that his personality dominates wholesomely; we are proud of his successes; and we are glad that we may call him our friend.

SUPERINTENDENT W. A. MCINTOSH

AN APPRECIATION

Appreciation is an intangible quality. It can be expressed only through some outward token. Therefore, as a concrete symbol of our sincere appreciation of her tireless efforts in behalf of La Airosa, we, the La Airosa Staff of 1926, affectionately dedicate these pages to our beloved friend and advisor,

FAREWELL TO THE CLASS OF '26

We've reached the end of the golden trail,
The dear old journey is done.
We've finished our many tasks, old class,
And victory we have won.

Our fond school days are at an end,
And dear friends now must part.
A smile is on our face, brave class,
But an ache is in our heart.

Together we've shared our many joys,
Together we've shared our sorrow,
And now a new day dawns, old class,
Upon a bright tomorrow.

We've finished, yet have just begun
Our journey to success.
Our heart, our minds, our lives, dear class,
Rare treasured gems possess.

May we all reach life's highest goal
God grant that it be won,
And when our work is through, old class,
The world will say, "well done."

The purple twilight now is here.
To say goodbye, 'tis well,
But let's not say goodbye, my class;
Let's only say farewell.

HONOR THE JUNIOR CLASS

Half a term half a term,
Half a term onward.
Down through the halls of fame
Strode the two hundred.
Forward the Junior Class
That none other could surpass
As through the halls of fame
Strode the two hundred.

Forward the Junior Class,
Was there dismayed a lad or lass?
Though oft' each student knew
Viewpoints would be sundered;
Theirs not to wonder why,
Theirs not to make reply,
Theirs but to do or die;
"Bring on Commencement Day,"
Said the Two Hundred.

Teachers to the right of them,
Principal to the left of them,
Superintendent back of them,
To see that no one blundered;
Counselled and guided, till
Not a single student failed
Came through the grind of Death,
Noble Two Hundred.

When can their glory fade?
Oh, the great fight they made!
All the town wondered,
Honor the Juniors of '26!
Shout their praise evermore,
Wise Two Hundred.

WATCH THE CLASS OF 1927!!

In the ever existing annals of high schools and colleges, it has been the general supposition that the laurels in athletics, school honors, and the like, should be conceded to the senior contestants and members of the senior class, but in recent years, and sometimes to the sorrow of the Seniors, the Juniors have had a right to challenge the graduates to these honors.

Thus it was with the Juniors in the High-School this year, and as stated above, "sometimes to the sorrow of the Seniors."

As a resume, to prove this last statement, we will take a peep into the different line of athletics, and see with what great ease and also the number of times that the Juniors have built a wall with winning tactics and unequalled sportsmanship, that even the sub-debs have found it difficult to overcome.

In the football season there were two or three Juniors who set the pace for the others to follow, and held this pace throughout the year; in the basketball season, we recall that some of the fastest, best, and most adept players were the graduates of 1927, or in other words, the Juniors this year; we likewise remember that during the period of track activities, there were as many Juniors as any other classes that went to Austin for the finals, and that during the tennis contests, a majority of the players were Juniors; last we consider, but not least, the baseball squad, in which the Juniors played a great part.

Yes, the Juniors will set a pace for the very best!!

WE SOPHOMORES

There is joy in all our hearts;
There are smiles in every eye,
When we get the Soph'more cake,
After eating Freshman pie.

And a grand old crowd we are;
We're leaders in our classes;
We make the older students hump—
We younger lads and lasses!

We may be down the ladder
A couple of rungs or so,
But we're having a pretty good time
In spite of the years to go.

FRESHIES

Freshies are Freshies, and some people think
That Freshies will never be wise,
But once there was one, who said with a wink
And a most knowing look in her eyes,
"The Freshies? Why, yes, they appear to be blest
With an idea that they are the best.
But when they are Soph's they'll be sure to admit
That they were a dreadful misfit."

APPRECIATION

In your hands is the fruit of one year's efforts and tireless endeavors of one of the most loyal staffs with which any editor and manager could have the pleasure of associating. We have enjoyed the privilege of serving the Senior Class of '26 as active workers of the 1926 La Airosa. We appreciate, sincerely, the earnest cooperative spirit of the entire student body toward this publication.

We acknowledge thanks to the following, and feel as though they helped to make our book a success; West Texas State Teachers College for the engravings of the Palo Duro Canyon; the business men of Amarillo for their interest in our school, and the faculty of Amarillo High School for their kind consideration.

To the La Airosa staffs of the future, we extend felicitations.

HI-Y ACTIVITIES

The Hi-Y Club has experienced the most successful year in its history. One hundred boys enrolled in the club. It is indeed pleasing to note the number of under-classmen that joined the club during the second semester. Thus, the club has an excellent nucleus about which to build next year.

As usual, the club supplied Office Boys, Locker Room Inspectors, and Custodians of the Lost and Found Room. In addition, the club supplied the Junior Police Force. This force was commended by Chief Cain for their efficient service.

A public program was given by the club to arouse interest in the State Older Boy's Conference. As a result, thirty-two boys made the trip to this Conference at Austin. Edgar Kanouse, one of the members, made the response to the welcome address. The delegation was second largest at the conference. Dallas had three more delegates than this club had.

The club participated in the Armistice Day Parade, started agitation for a gymnasium, and furnished a mirror for the boy's rest room.

The average grade of the club was from 2% to 5% better than the average grade of the entire school each six weeks.

In addition, the club furnished all the boys in the finals of declamation and debate, all but one of the boys in the finals in extempore speaking, the presidents of both the Junior and Senior Classes, all of the boys, save one on the annual staff, the editor of the Commercial Booster, the leading salesman of athletic tickets, the captains of the athletic teams of the year, all the Glee Club officials, and all the presidents of the Forum and Philo Societies of this year.

The club expects to edit a real high school paper next year, publishing two papers each month.

As usual, the club will lose fifty percent of its members by graduation this year. However, the Hi-Y Club anticipates a larger and a more active club next year.

Latin Club

MISS KLAPPROTH - - - - - *Sponsor*

The Latin Club organized at the beginning of the scholastic year, is the first Latin Club in Amarillo High School. Miss Klapproth, the able sponsor, organized the club so that the Latin students and those interested in Latin might be able to get a better understanding of the life and customs of the Romans The club was beneficial in bringing the moving picture "Julius Caesar", which proved to be of great educational value to the school. The Latin Tournament which was held here April 9 was put over successfully by the assistance of the Latin Club. Many of its members won prizes. The Latin Club promises to be one of the best in the state by this time next year.

Pi Delta Dramatic

MISS WRIGHT - - - - - - *Sponsor*

The Pi Delta Dramatic Club was organized at the beginning of the school year 1925-1926 for the purpose of studying plays and playwrights. Miss Kathleen Wright, instructor of Latin and English, has sponsored the club, and her excellent criticisms have helped the members in their dramatic work.

In April a one act play, "Marrying Money" with a cast of four girls, was presented for the Parent-Teachers Association. The other club members made their public appearance in a three act play, "A Southern Cindarella" given in May at the Woman's Club Rooms for the benefit of the High School Clothing Contest carried on by the Home Economics Department of the High School.

Eulalians

MISS LOUISE RUSSELL - - - - *Sponsor*

The aim of the Eulalians Club is to teach girls to speak before the public. The programs have been of both national and local subjects. A debate and a play were given as the required public appearance this year.

All girls are eligible for membership in the Eulalians. This club is one of the oldest High School clubs and has been growing every year.

A great deal has been accomplished under the direction of its loved and competent sponsor, Miss Louise Russell.

Philomatheans

SILAS HART - - - - - - - - *Sponsor*

The Philomathean Debating Society of 1926 was organized on September 17, 1925 The purpose of the club was to promote all branches of public speaking in the Amarillo High School. In the annual Forum-Philomathean Debate sponsored by the Lions Club, the Philomatheans lost, but one of their speakers. W. A. Criswell, was given second place on the team to represent the Amarillo High School at Abilene.

Although the membership of the club was reduced by an unfortunate incident at a Hallowe'en frolic given by the club, the Philomathean Debating Society has accomplished a great deal for its members during the school year of 1925-1926.

Forum

MISS WALKER - - - - - - *Sponsor*

The Forum Debating Society has just closed a very active and beneficial year. There was a greater increase of membership this year than in former years; and with the sponsorship and encouragement of Miss Walker and The American Business Club, the boys have accomplished very much. Kim Harty, Arthur Hamilton, and Earl Bishop have served a spresidents this year. The club held its annual Hallowe'en Frolic, October 31. The members and their young lady friends had an enjoyable evening which will never be forgotten. The annual banquet which is usually held February 22nd was postponed indefinitely because of an epidemic of "flu".

In the annual Inter-Club Debate between the Forum and Philomatheans, the Forum team composed of Earl Bishop and Lawrence Shea won, thereby gaining possession of the silver loving cup offered by the Lions Club.

Besides helping with the Parent-Teachers programs, the band furnished music for the May exhibit, took part in programs for the National Music Week, and played at the graduation exercises of St. Mary's Academy. ATHLETICS

Football Resume

Golden Sandstorm 0 September 19 Clarendon Reserves 3

The Sandies met defeat in the first game of the season. The "hefty" reserves from Clarendon College proved to be too much for the Sandies to "sand". The outstanding feature of the game was Bassett's tackling. The green team lacked the necessary experience and could not hold their own on the offensive. Heater and Miller received painful injuries in the game.

Golden Sandstorm 7 September 26 Canyon Eagles 24

The fast Eagles swooped down upon the Sandies in a hard and fast game and soared high with the green team. The Sandies goal post was in constant danger because of their weak defense against the Eagle's air attack. Bassett was the outstanding star of the day but the Eagles were ever too fast for him. Bourn received a turned ankle, and several substitutions were made. Of these, Pearce showed up best at end.

Golden Sandstorm 26 October 3 Pampa Harvesters 0

The Golden Sandies won a hard fought battle with the Harvesters Coach Hays presented a new and smooth working back-field with Bassett at quarter, Oakes and Reeder at halves and Capt. Dowler at full. These reeled off gains consistently and were very successful in breaking up the air offensive of the Harvesters. Bassett and Oakes made two touchdowns each. Bassett made his through the line while Oakes made his upon runs after a pass, the last being an intercepted pass. The team as a whole showed much improvement and did fair to make things interesting for their opponents from here on.

Golden Sandstorm 7 October 10 Canyon Yearlings 3

The Sandies won over the husky yearling crew by a 7-3 count. The game was a fast and hard fought one. The first half, the yearlings kicked a field goal after the Sandstorm line tightened in front of them. In the last half, Vaught went in at half for Amarillo. A pass was ccmpleted by Bassett to Vaught who raced 41 yards for a touchdown. Vaught kicked goal. Honey was substituted for Heater in the first and third quarters. Vaught was the only non-regular player substituted, Coach Hays attempting to save his men for the coming class A. games.

Golden Sandstorm 10 October 16 Plainview Bulldogs 13

The Golden Sandstorm lost their first class A game of the season to the Plainview Bulldogs by a 13-10 count. The Bulldogs proved to be too fast and used better teamwork than the Sandies. Dowler kicked a field goal and made a touchdown, but the Bulldogs could not be stopped by the Sandies. Bassett's fumbles in the last half helped the Bulldogs to keep the lead. Dowler missed a place kick in the last few minutes of play. This game was later thrown out by the League heads at Austin because of an ineligible man being played against the Sandies.

Golden Sandstorm 36 October 24 Clovis, N. Mex., 7

The Sandies stepped out on the field and defeated the Clovis team by a score of 36 to 7. This looked more like a fighting football team than anything Amarillo had approached this year. The Sandies seemed to have a newborn fighting spirit. The Clovis bunch was lighter but was a very scrappy team. Stockton at end looked like a new man although Clark and Bassett were invincible. All of the scoring was done on straight football down the field with the exception of one recovered fumble across the Clovis line. Gibson swapped lines with Fuqua and Bishop and Honey changed.

Golden Sandstorm 50 October 30 Lubbock Westerners 3

The Golden Sandstorm whipped into full style and gave the Westerners a terrific defeat of 50 to 3. Both teams unleased an air attack and many passes were completed. Clark was the star of the day. The first sensation of the game happened when Clark grabbed the ball from center and raced 31 yards for a touchdown making the score 6 to 3 in Amarillo's favor. Clark and Oakes were both hard for the visitors to stop.

Golden Sandstorm 21 November 11 Miami Warriors 7

The Sandies defeated the Miami Warriors here Armistice Day, 21 to 7 in a hard fought game. The high-school exhibited more pep then than at any other previous time. Dowler was the outstanding star, when he picked up a fumble of Miami's and ran 78 yards for a touchdown. Stockton received a broken collar bone and Hamilton was substituted for him.

Golden Sandstorm 14 November 21 Wichita Falls Coyotes 7

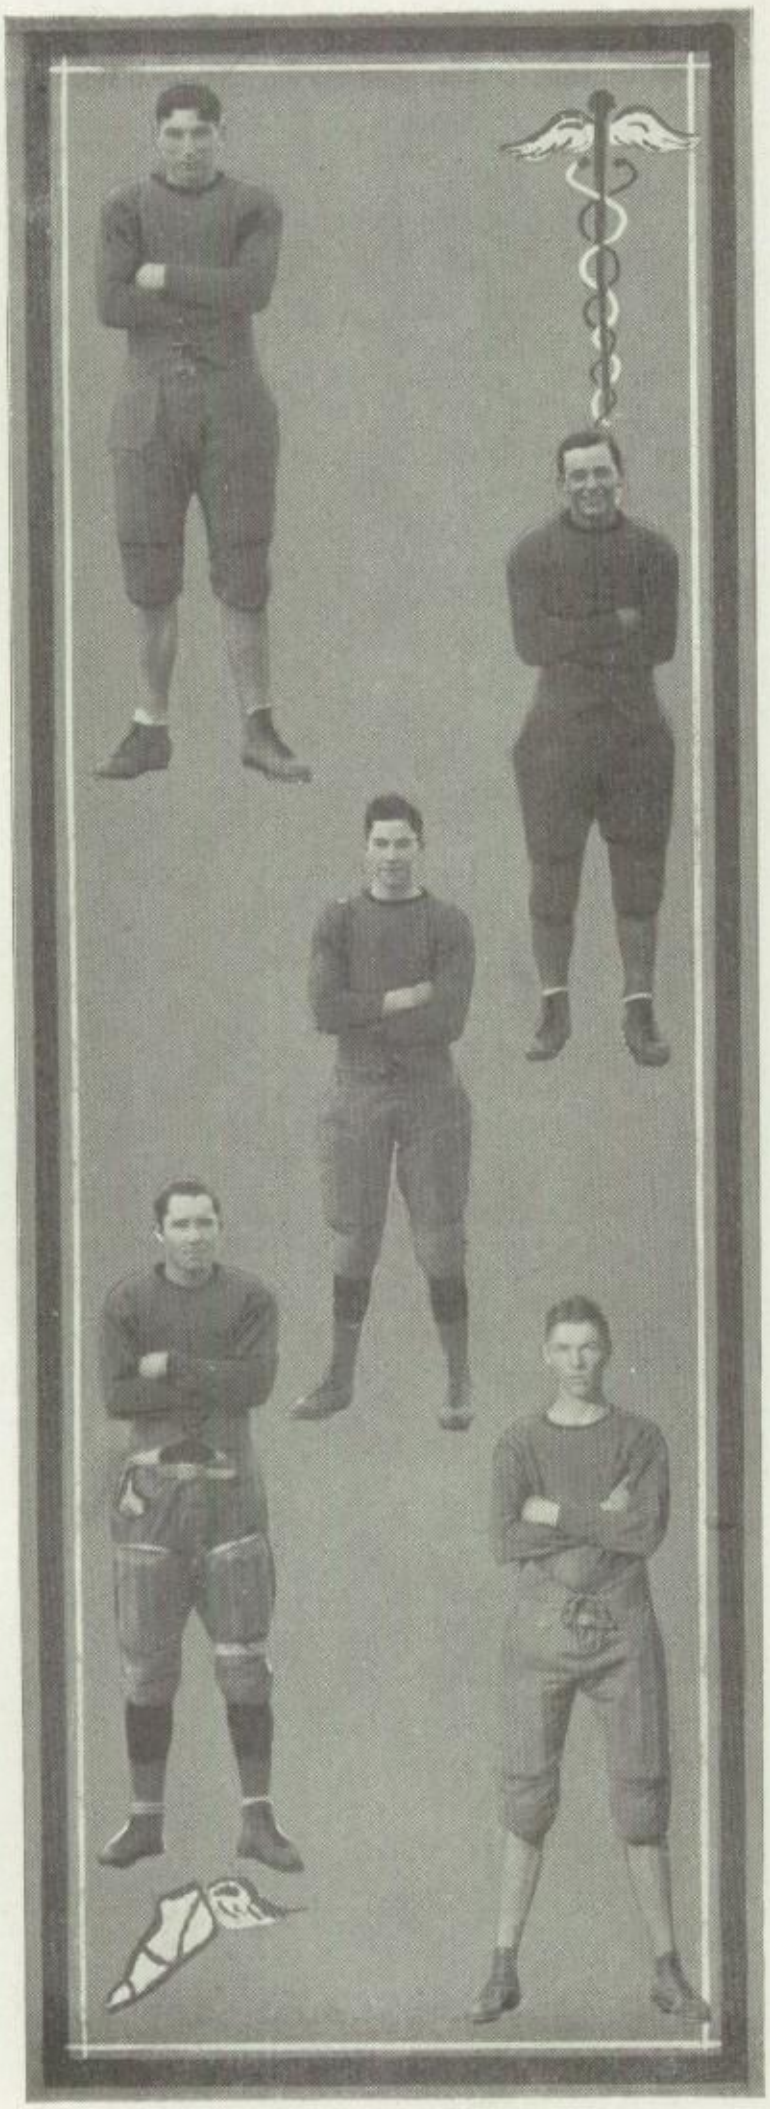
"A terrific Sandstorm of Golden hue swept down from the Panhandle of Texas this afternoon, enveloped a pack of Coyotes like a mighty whirlwind, and twisted and squirmed, passed and plunged its way across the field to a glorious 14 to 7 victory over Wichita Falls High and the Class A football championship of District one and of all Northwest Texas", so said the Fort Worth Star Telegram. Amarillo outplayed the Red and Black Coyotes in every department of the game. Eleven first downs were made by the Sandies and seven for the Coyotes. The Sandstorm completed four out of eleven attempted passes for a total gain of 68 yards against two out of ten by the Coyotes who netted but 19 yards. It would be hard to pick a star from the Sandies—they were all stars. From end to end and from quarter to full back, they played the game and played it well every minute. All who witnessed this game said they had never seen a better high school battle.

Golden Sandstorm 32 November 26 Memphis Cyclones 14

The Golden Sandstorm with fury unabated continued its sweep of the Panhandle-Plains district in the state high school grid race, when it smothered the sensational Memphis Cyclone 32 to 14. A holiday crowd of 2,500 fans including 500 from Memphis saw the Sandstorm enter the contest with its defensive week allowing the Cyclones to cross the goal in the first five minutes of the play, then grow impregnable as the game wore on, while its offensive never lacking, completely crushed the bi-district title holder of Conference B in the last half. The backfield worked as a perfect unit Bassett and Dowler plunging the line; Oakes skirting the ends and Clark breaking through for sensational runs. For the first time in ten years, Amarillo was champion of all Northwest Texas.

Golden Sandstorm 0 December 2 Cisco Big Dam Loboes 76

The Big Dam Loboes won the West Texas Class A title from the Golden Sandstorm before the Sandies got themselves set for play. The Loboes' defense was perfect. The Sandies were not able to stop them. The Sandies only made four first downs while the Loboes made eighteen. Clark, Dowler and Honey were the outstanding stars of the game.



OLIN DOWLER—*Full Back* Captain

"Moco" proved to be a captain of ability and earned his second letter in football this year. He was a strong backfield man and made many sensational gains. He was almost invincible after he had a start. He did most of our punting. Moco will be a very strong man next year, and we are glad to have him back.

CARTER BASSETT—*Quarter Back* "Anthony"

"Anthony" was a good man this year and let the defense know it. He was a consistent ground gainer. Anthony was a good passer as well as a good intercepter.
He never quit hustling and he worked hard. He will be back next year and great things are expected of him. He is Captain-Elect.

JAMES OAKES—*Left Half* "Tate"

"Tate" was greased lightning this year and was equally slick as he was fast. Tate was always ready to tote the ball around ends or through a hole for gains. Tate was always full of life and peppy. We lose him this year. Good luck to you Tate.

ROBERT CLARK—*Right Half* "Bob"

"Bob" was the most consistent ground gainer on the squad this year. Clark came from Okla. and was a valuable man. He was fast and when once started, was hard to stop. At Cisco and Wichita Falls he showed up good.

EARL STOCKTON—*Left End* "Strip"

"Strip" made his second letter in football this year. He was in all of the games until he received a broken shoulder at the last of the season. Strip is a valuable man and next year, he will be more so. We are very, very glad to have Strip back with us next year.

HERBERT MILLER—*Right End* "Herb"

"Herb" won his second letter this year, and was a very valuable man. Herb was famous for scooping the ball out of the air and going right down the field with it. He was a fast man, and since he is leaving us, his position will be very hard to fill next year.

DONALD HONEY—*Right Guard* "Honey"

Donald was an excellent man. Although he was a new man he played remarkably well. He knew the game and played it. Honey could always be depended upon. Donald's graduation is a loss to the Sandies.

JACK FUQUA—*Center* "Tububs"

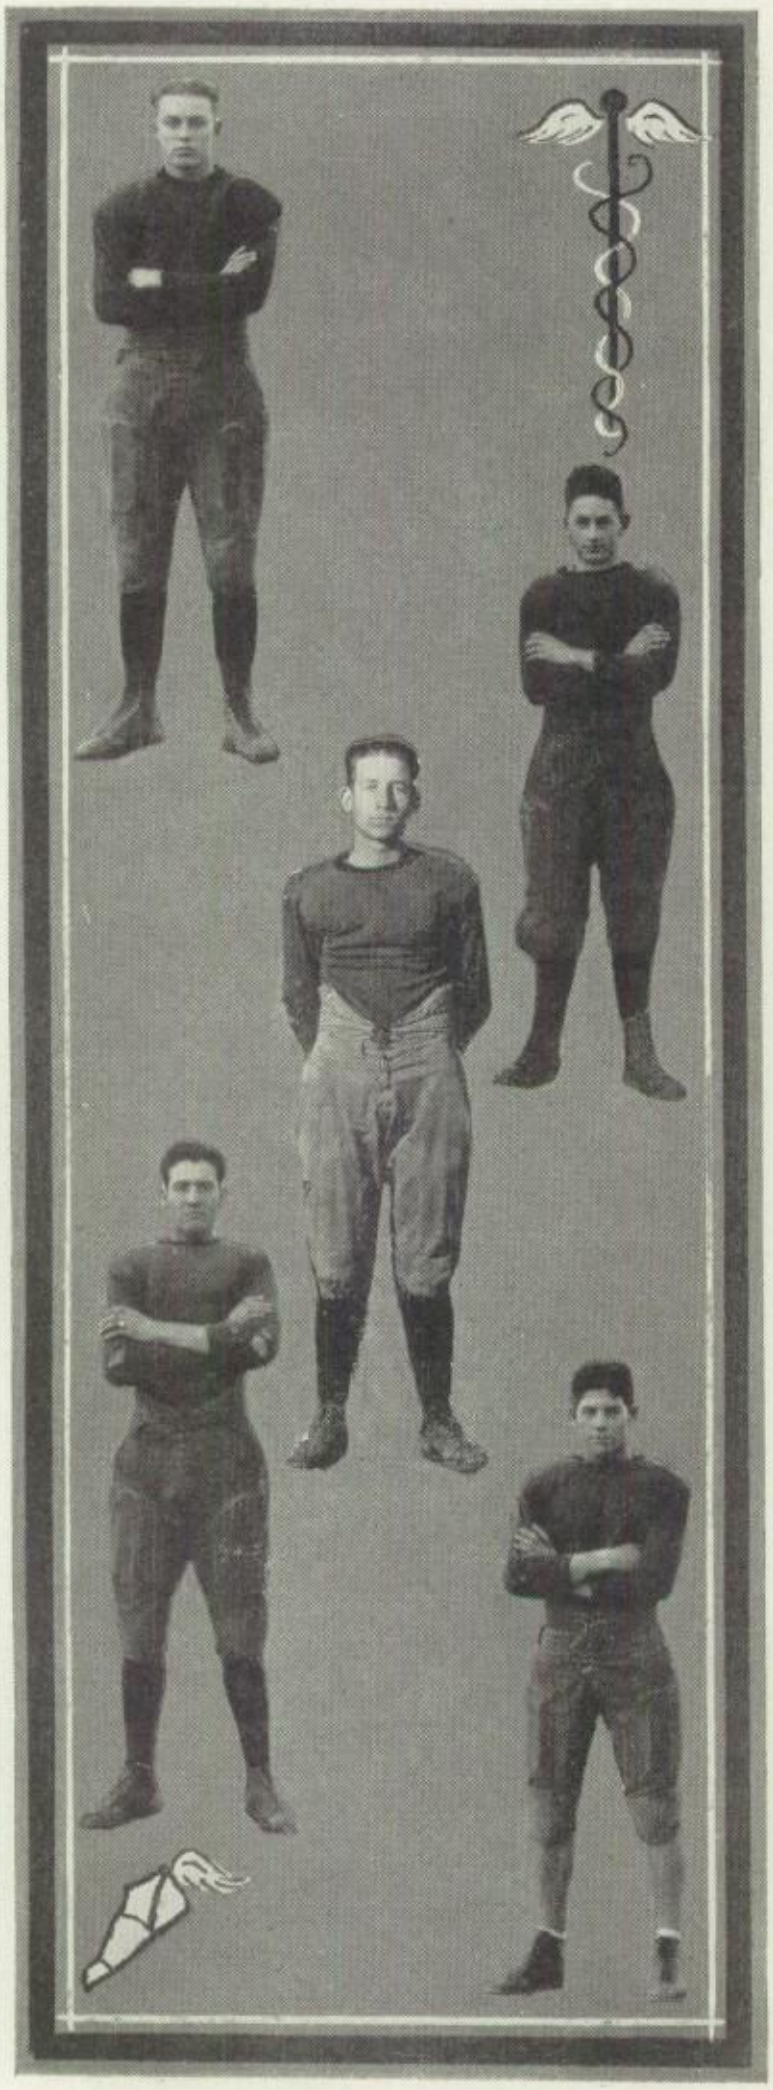
Jack was a new man for his head down position. He showed up well all year. He was strong on the defense. Next year, his position will be hard to fill. Good luck to you Jack, we're for you.

ROSS LARSEN—*Right Tackle* "Swede"

"Swede" made a line fit for any ball club himself. He could always be depended upon to have an opening ready. He made the opponents go around him for their gains. This was his first year, and he will make a very strong man next year.

JAMES UTTERBACK—*Left Guard* "Noisy"

"Noisy", although a new man, was in the game enough to help carry his squad to victory He lettered this year. He shifted positions with several players.



EARL BISHOP—*Left Tackle* "Big Bish"

Earl made his first letter in football this year. His bulk made his opponent know that he wasn't hitting a cream puff. When a tackle was to be made around his position, Earl was right there to participate. He will make a mighty good man next year.

ARTHUR *HAMILTON Left End "Little Arthur"*

Arthur proved to be a strong man this year. He did not let his opponent stop him, but either went over, around or under. He proved to be quite a sensation. Next year Arthur will fill a position as valuable man.

EDWARD PEARCE—*Right End* "Percy"

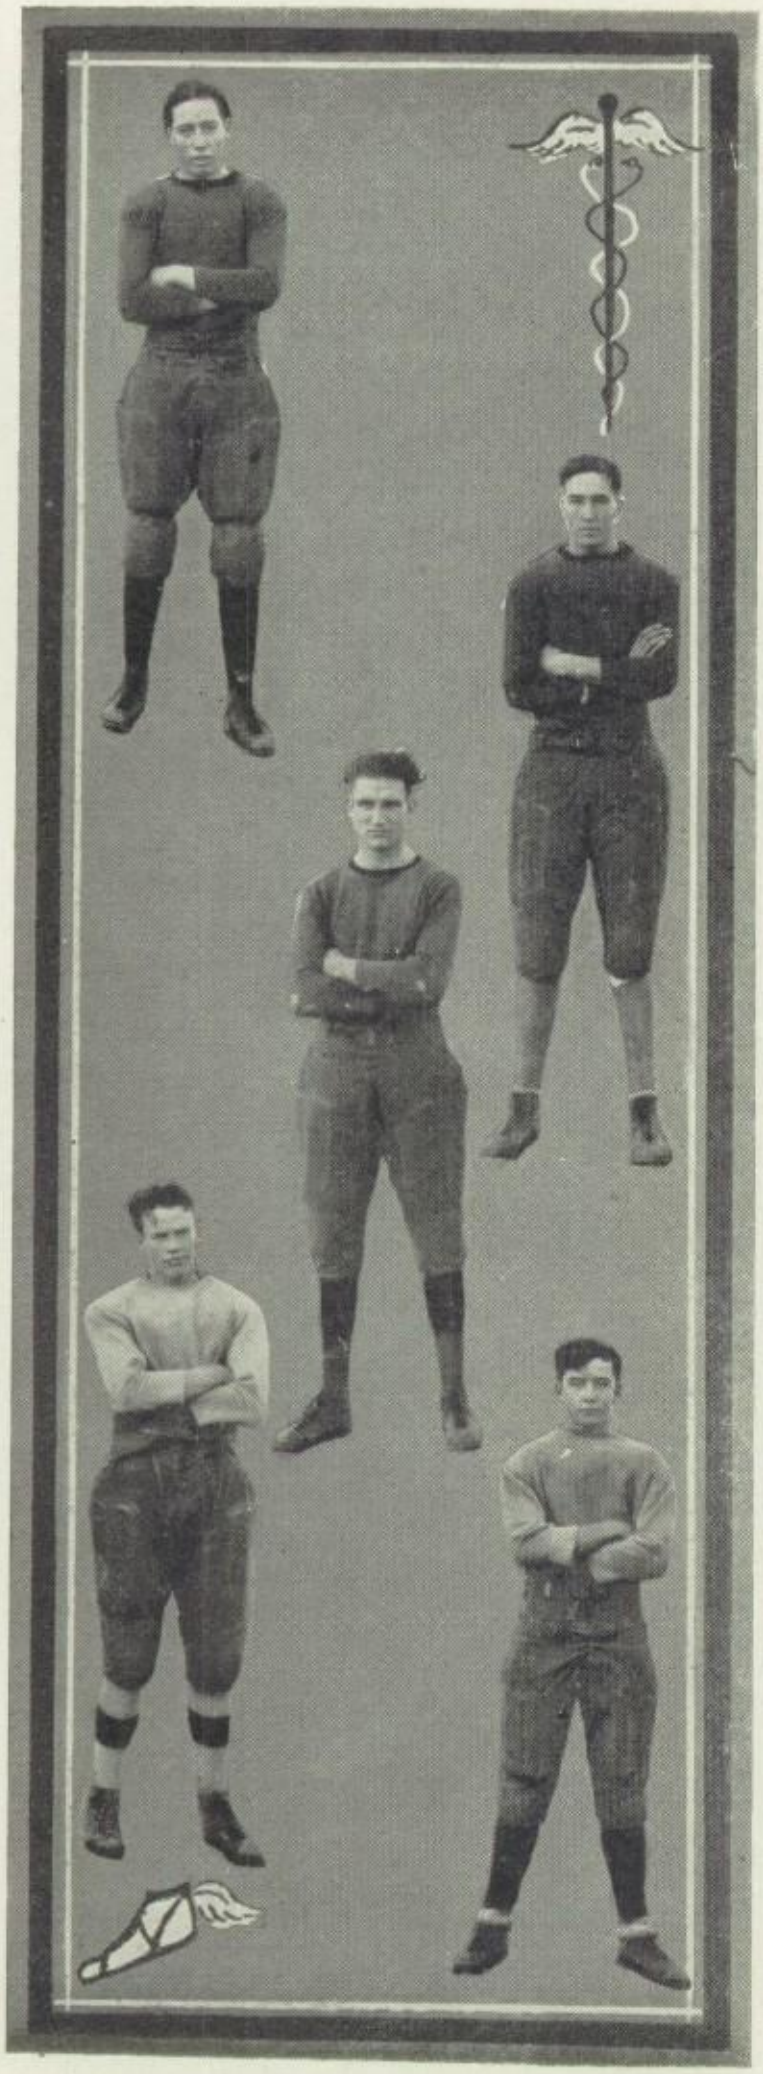
"Percy" was a newcomer this year. He held down end until he became ill and then was out of the game for a while. Edward seemed young at the game, but next year great things are expected of him.

LAWRENCE BOURN—*Left Tackle* "Bill"

"Bill' received his training in the army, but nevertheless, he used it in football. He seemed to be a "Big Bertha" when a hole was needed. He learned the game fast and applied his knowledge. We hope he will be back next year as he is a valuable man.

FRED REEDER—*Quarter Back* "Tass"

"Tass" was a good man for the squad this year. He used his head and usually used it to advantage. He was always fighting and was one of those responsible for the squad's victory. Tass's position will be very hard to fill next year.



BEDFORD GIBSON—*Center* "Bed"

"Bed" was right in bucking when Jack was not. Gibson seemed a little young at the game this year. He is expected back next year.

JOE BOYER—*Left Guard* "Josephine"

Joe was a hard and consistent worker. He was always ready to go and was always fighting. "Josephine" tried hard and played several games with the first squad

ALLEN HEATER—*Right Guard* "Utility"

Allen came out with the bunch, but an injury received in the first part of the season held him back considerably. He played several games.

FRANK BORDEN—*Left End* "Borden"

Frank played with the first string in several games and showed very good form. He promises to make a very good player next year.

HAROLD NUNN—*Right Half* "Nunn"

Harold showed up mighty good this year and worked hard. He was on the second string bunch and promised to be a good man for next year's squad.

GILMORE NUNN "Fennie"

That peppy Fennie! He certainly was a box of pepper! When the spirits of the rooters began to lag, when the various athletic teams were up against seemingly unsurmountable barriers, then Gilmore proved his worth. Gilmore was a dandy yell leader.

POLLY HARRIS "Poll"

At every pep rally, at every game, out on the field of battle, Polly was always there, keeping up the spirits of the rooters and the team. We attribute a great degree of the pep manifested by the students of Amarillo High to Polly's ability as a yell leader.

PRESTON FOWLKES "Pres"

And Preston was another enthusiast. He was always on the job, and never failed to unleash his pep at every game. When the victory of the team seemed clouded, Preston's pep shone as a ray of sunshine, ever, ever, helping his team to victory.

Basketball Resume

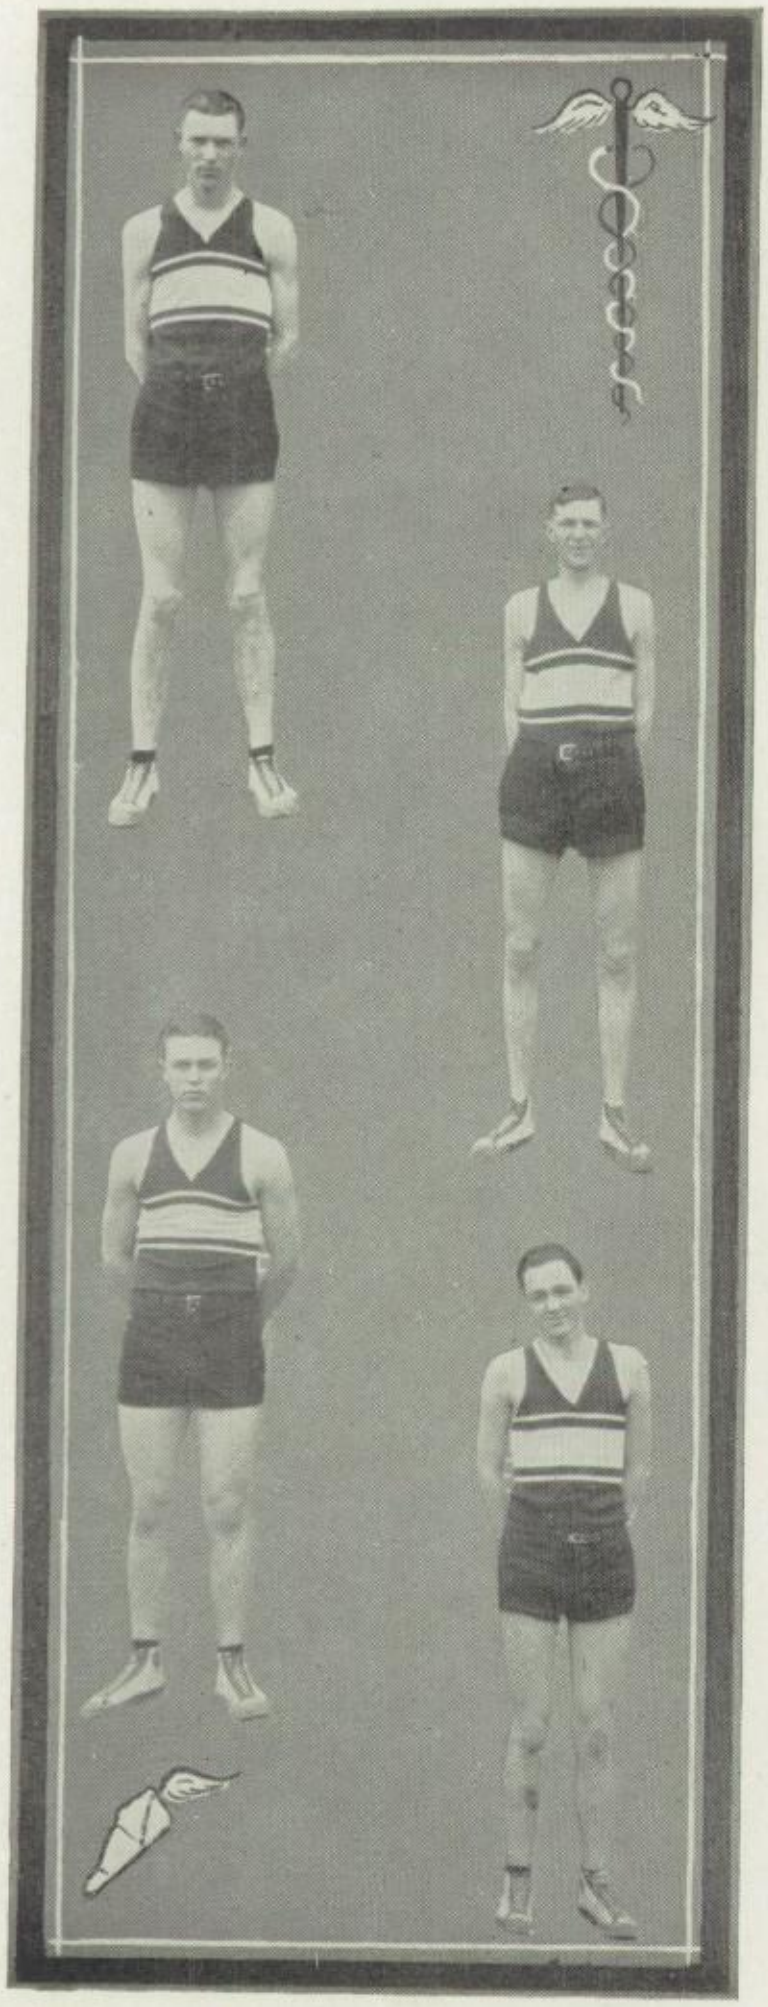
The Golden Sandstorm Basketball team, although made up of first year men, had a successful season. Coach Hays worked his boys hard and kept them in good training. The Nat was the only court available in Amarillo that was suitable for practice.

The squad worked together very well, and only a few times did they work inconsistently. Due to the fact that our school had no gymnasium, Coach Hays had to develop his squad out of green material.

We wish the squad better results next year.

The results of the game played are:

Sandies—19	Dalhart—15
Sandies—13	Tucumcari—12
Sandies—16	McAlester—20
Sandies —9	Plainview—13
Sandies—19	Plainview—33
Sandies—20	Panhandle—17
Sandies—7	Canyon Calves—11
Sandies—12	Canyon High—14



EARL STOCKTON—*Center* "Strip"

"Strip" made his third basketball letter this year. He played excellent basketball and always had a fighting spirit. He will be back next year and a place is reserved for him. He acted as Captain after Dowler left.

LLOYD TOWNES—*Guard* "Thos"

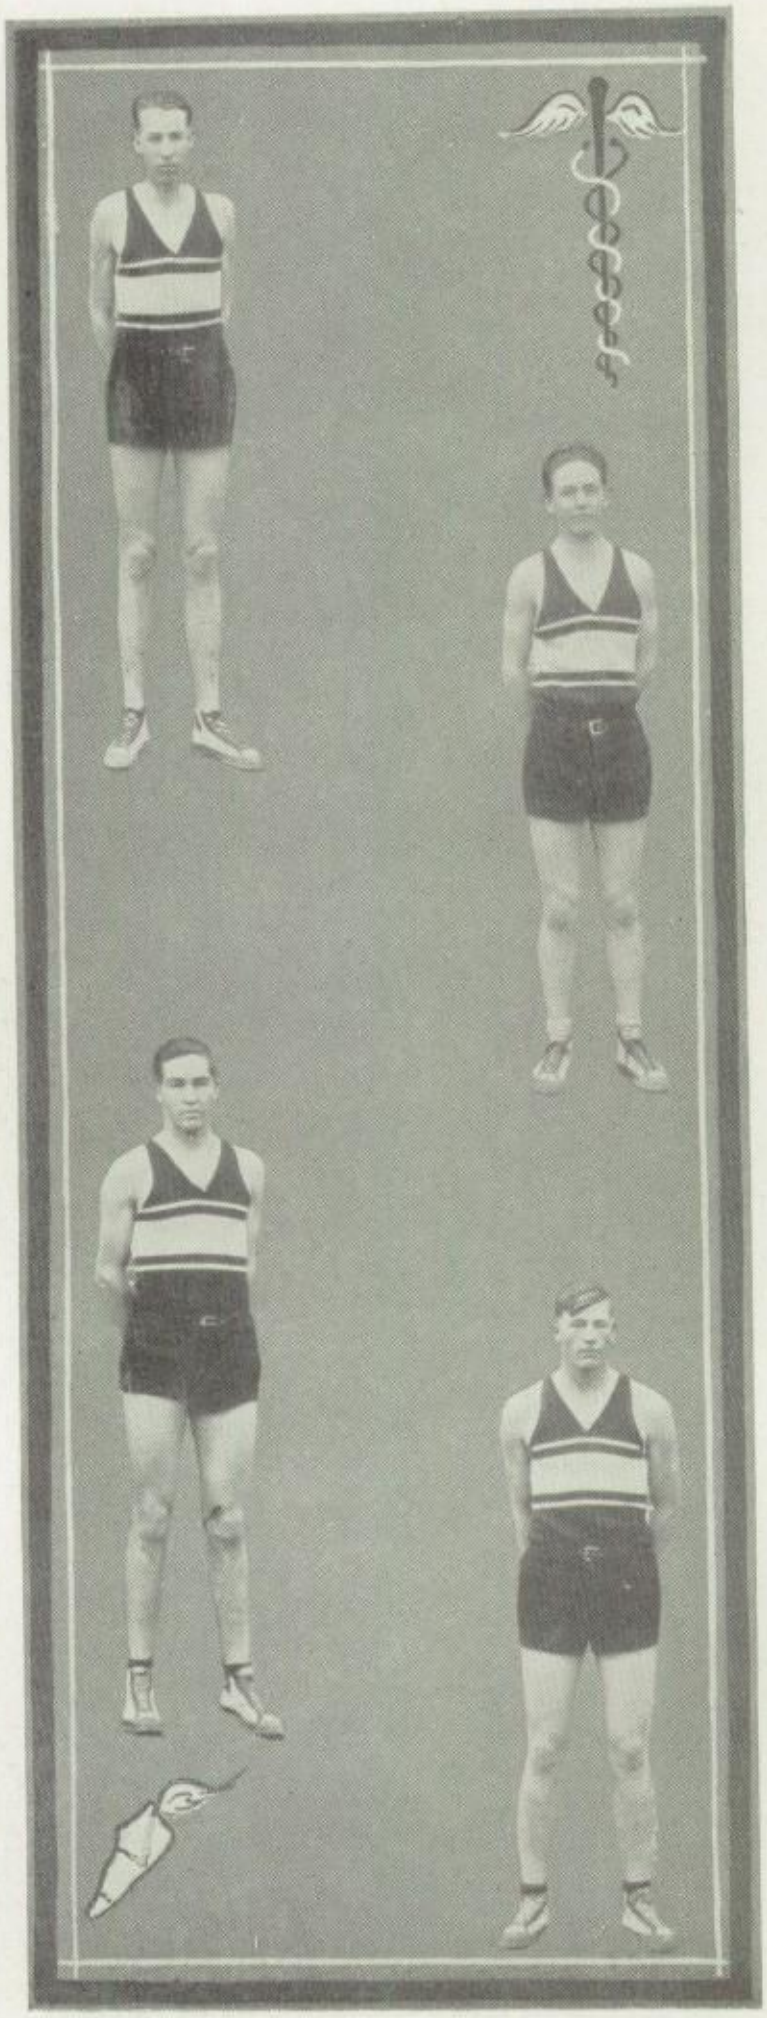
"Thos" came out at the first of the season and played in most of the games. He never stopped fighting and was always hustling. He was one who was responsible for the squad's pep. He is Captain-Elect.

EARL BISHOP—*Guard* "Oil"

Earl started out for training in good style and played consistently during the latter part of the season. He was young at the game but developed fast. Next year he will be back and will fill a position as a valuable man.

LEON YOCHAM—*Forward* "Ikey"

"Ikey" was the star forward this year, and was high point man. He played in most of the games and was very fast and tricky. He will be back next year and great things are expected of him.



WILBUR BARROWS—*Forward* "Slim"

"Slim" came out for his first time this year and played basketball through the entire season. Slim showed a lot of fight and pep. He was quick to grasp the game and next year his place will be hard to fill.

KENNETH TRAVIS—*Forward* "Alfonso"

"Alfonso" was a new man to the basketball squad. He played in several games. He showed good fighting spirit. He will be back next year and will be a great help to the squad.

JOE BOYER—*Center* "Josephine"

"Josephine" was out all year and held down his post well. He played in several games but was used as a substitute. Although he did not letter he showed very good form and in all was a good man.

ROSS LARSEN—*Guard* "Swede"

"Swede" came out with the rest of the squad and played in several games of the season. He was used as a substitute most of the time. "Swede" was new at the game and next year he will be a valuable player.

Girls Basketball

MRS. C. P. ATWOOD - - - - - *Coach*

The Girls Basketball team of Amarillo High School was organized in October 1925. With steady practicing and the excellent coaching of Mrs. Atwood, the team was soon in fine shape for the coming games. The first two games were with Canyon and Vega. These games were lost but the girls were not discouraged and entered the fight with renewed vigor. In the following games, the girls tied the score with Clarendon, won the game with Hereford easily, and won the second game with Vega by a high score. The last game of the season was played with Hereford, resulting in a tied score.

The Girls team has been greatly handicapped this year by the lack of a suitable indoor court, and regular outdoor practicing was made impossible by the winter weather. We hope that next year the building will be provided with a new gym where they can develop a championship team.

Track Resume

After a few days of workout at the beginning of the track season, the annual A B C meet was held. Jack Melton, a class C man, was high point man of all classes and thereby holds the George Lindsay trophy for one year. Class A was won by Clark with 23 points and Class B was won by F. Borden with 22½ points.

On March 3 the Sophomores defeated the Freshmen in a track meet by a 65-36 count. Clark was high-point with a total of 25 points. He was followed by F. Borden with 19¼ and McLeod with 18 points.

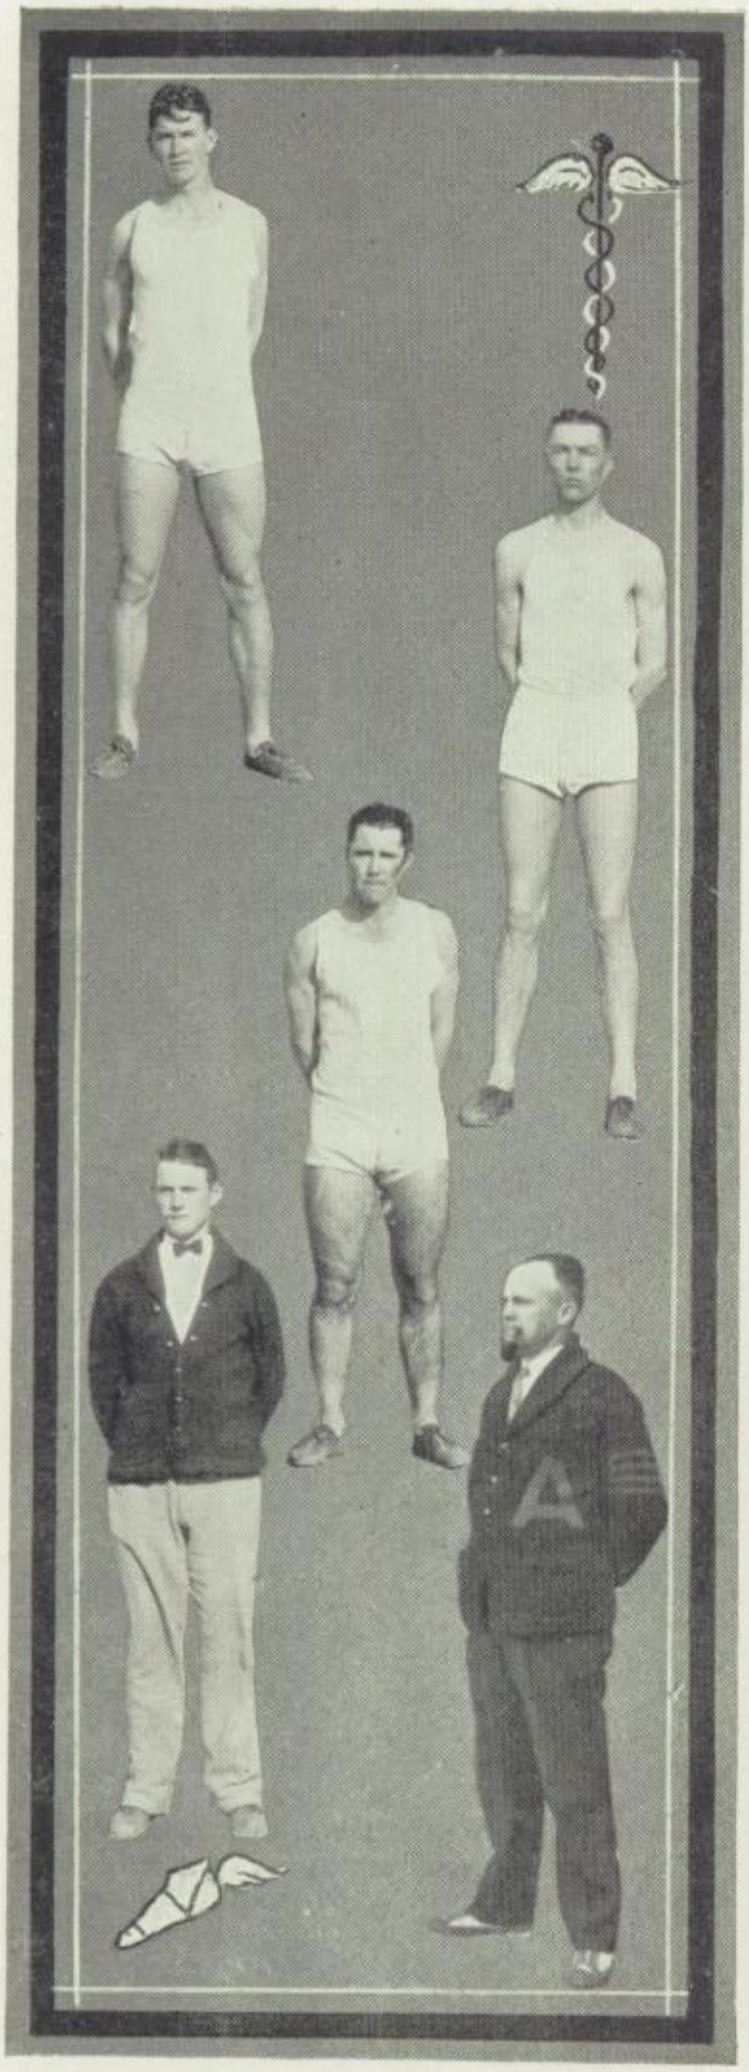
Hamilton was second just a few yards behind Miller. Boyer and Barton finished third and fourth respectively. Fourteen entered and virtually all of them finished the gruelling four mile course.

The Sandies were again victorious by defeating Clarendon on March 20, by a count of 83 to 64 points. Stockton with 16 points was high point man. Naylor of Clarendon was second with 14½ points and Miller and Clark, Amarillo, tied for third place with 13 points each. Stockton broke the javelin record of District One with a throw of 146 feet and 1 inch.

On April 3, for the second consecutive year, the Golden Sandstorm of Amarillo High triumphed over all opposition to win the annual Abernathy Inter-County Meet, with a total of 58 points. Lubbock, Plainview. Floydada, Littlefield and Lockney finished in the order named. Stockton of Amarillo was high point man. Bowen, Lubbock, was second, and Clark, Amarillo, third. Amarillo has won this cup two out of three years it has been up for competition.

On April 24, the Sandies track squad won its fourth consecutive District One track and field meet championship with 42 points. Featuring the scoring of the Sandies was the work of Stockton, englongated all round man who scored 21 points for individual honors He set a new district record for the discuss, tossing the plate 112 feet. Oakes lowerd the 220 yard dash negotiating that distance in 23 2-5 seconds. At the same time the inelligible Sandies took third place at the Goodwell, Okla. meet with a total of 30 points. Clark was high point man with a total of 23¼ points.

The second cross country run of the season was run on April 29, on a four mile course. Hamilton, speedy miler, completed the curse in 21 min. 34 2-5 seconds, more than three minutes under the first record. Knupp surprised the crowd by coming in second. as he was not a track man. Medals were presented by the Gibson Drug to the first six to finish, and a bronze trophy was presented to the winner by Mr. George Lindsay. Other boys to get medals were Boyer, Barton, Boyce, and Clark, finishing in the order named. Following these mdal boys were McLeod, Thompson, Williams, Mathews and Allen



HERBERT MILLER—*Captain* "Herb"

"Herb" made an excellent leader, being a hard trainer at all times. He has run at various times the 100 yd. dash, 220 yd. low hurdles, 440 yd. dash, and number four in the relay. He will be sorely missed next year as he is a Senior. Success to you "Herb."

EARL STOCKTON—*Captain-Elect* "Strip"

"Strip" was high point man in the District Meet at Canyon, scoring twenty-one points. He won first place in the two hurdle races, and the discus throw, establishing a record in the latter. He also tied for first place in the high jump and won third place in the javelin throw.

ROBERT CLARK "Bob"

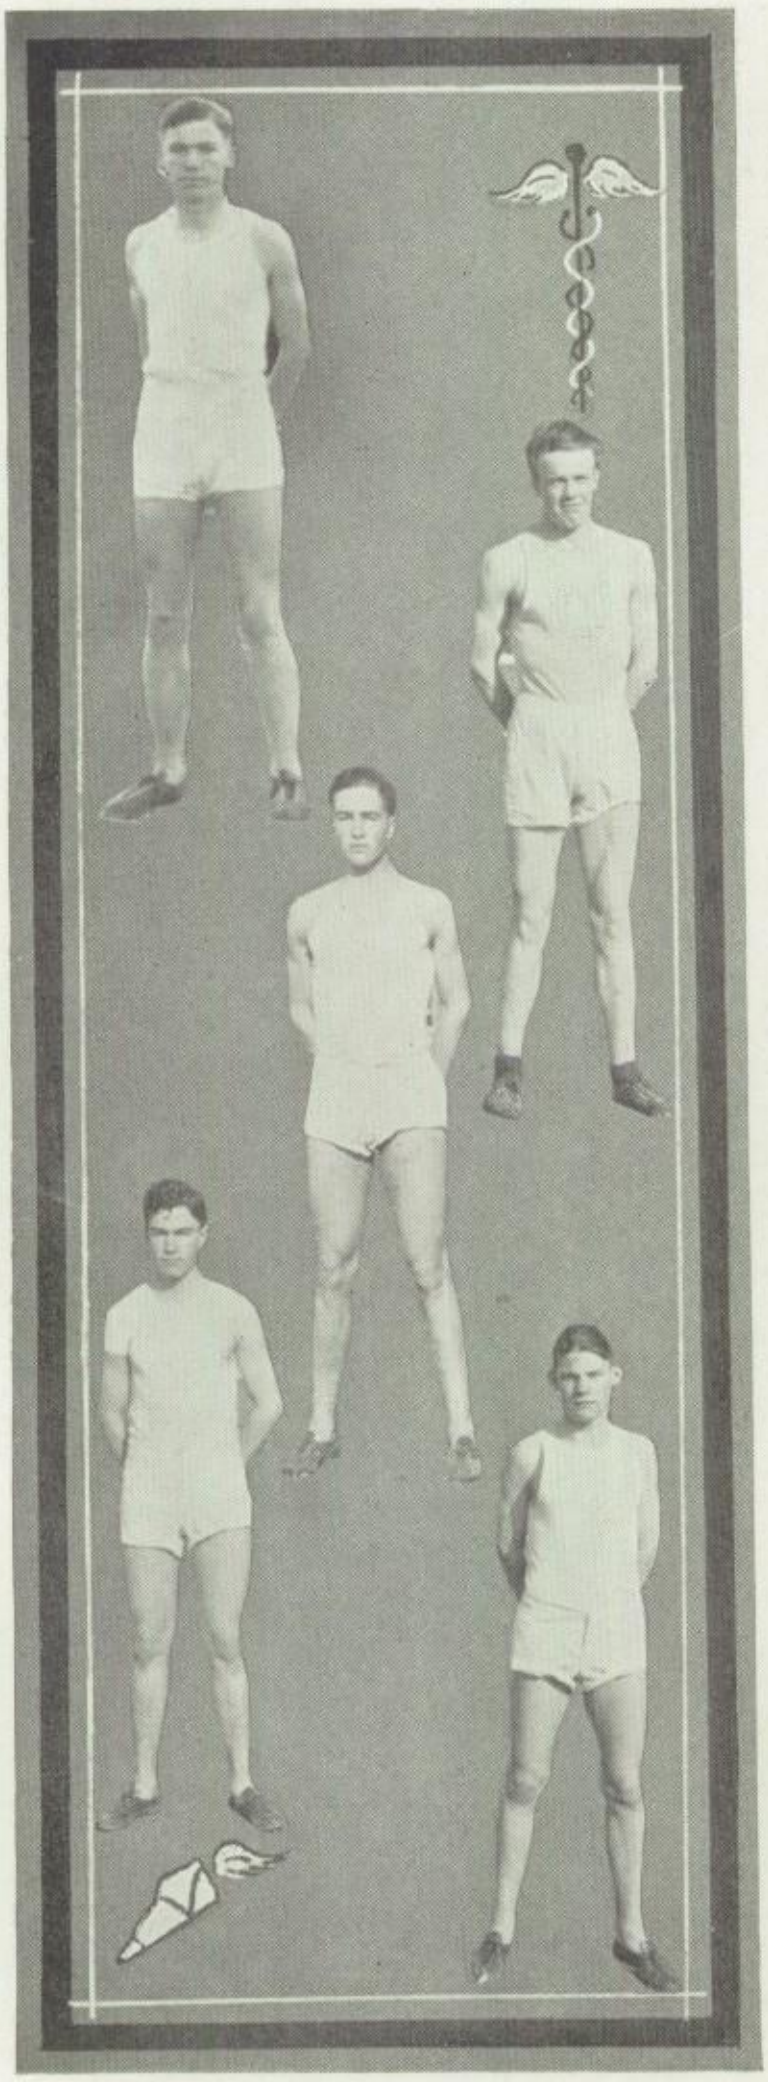
In mid-season, "Bob" was ruled inelligible for Texas High School competition. He represented Amarillo in an invitation meet at Goodwell, Okla., and came away high point man, establishing four records. He won the 100 yd. dash, 220 yd. dash, 22 yd hurdles and the broad jump, and placed in other events.

CLARENCE WARREN—*Manager* "Fats"

"Fat" won his spurs last year as chief assistant to "Bull Parr' and consequently has rendered efficient service as our manager. He is a man of many words and few actions. He can work when he has to, provided the audience is appreciative.

H. G. WILSON Coach

This year's team is the fourth consecutive district winner, and the fifth winner of Coach Wilson's six years of service with us. This year's team was built around only two letter men, and is the best in the history of the school. To Mr. Wilson's ability as a coash is attributed the great degree of success marked by this record team.



FRANK BARTON "Barton"

This is Frank's second year on the squad and his first on the team. He ran the two hurdle races and number two on the relay. He is the champion hard luck man of the squad, losing first in the District low hurdles by a hard spill. He has another year, and with an even break, will be hard to beat.

FRANK BORDEN "Borden"

Frank served on the squad last year but this his first year on the team. He runs 440, number one on the relay, and enters the high jump. His best race was in the quarter at Abernathy. He has ambitions to be a high-hurdler. He should be a vastly improved athlete next year.

JOE BOYER "Empress"

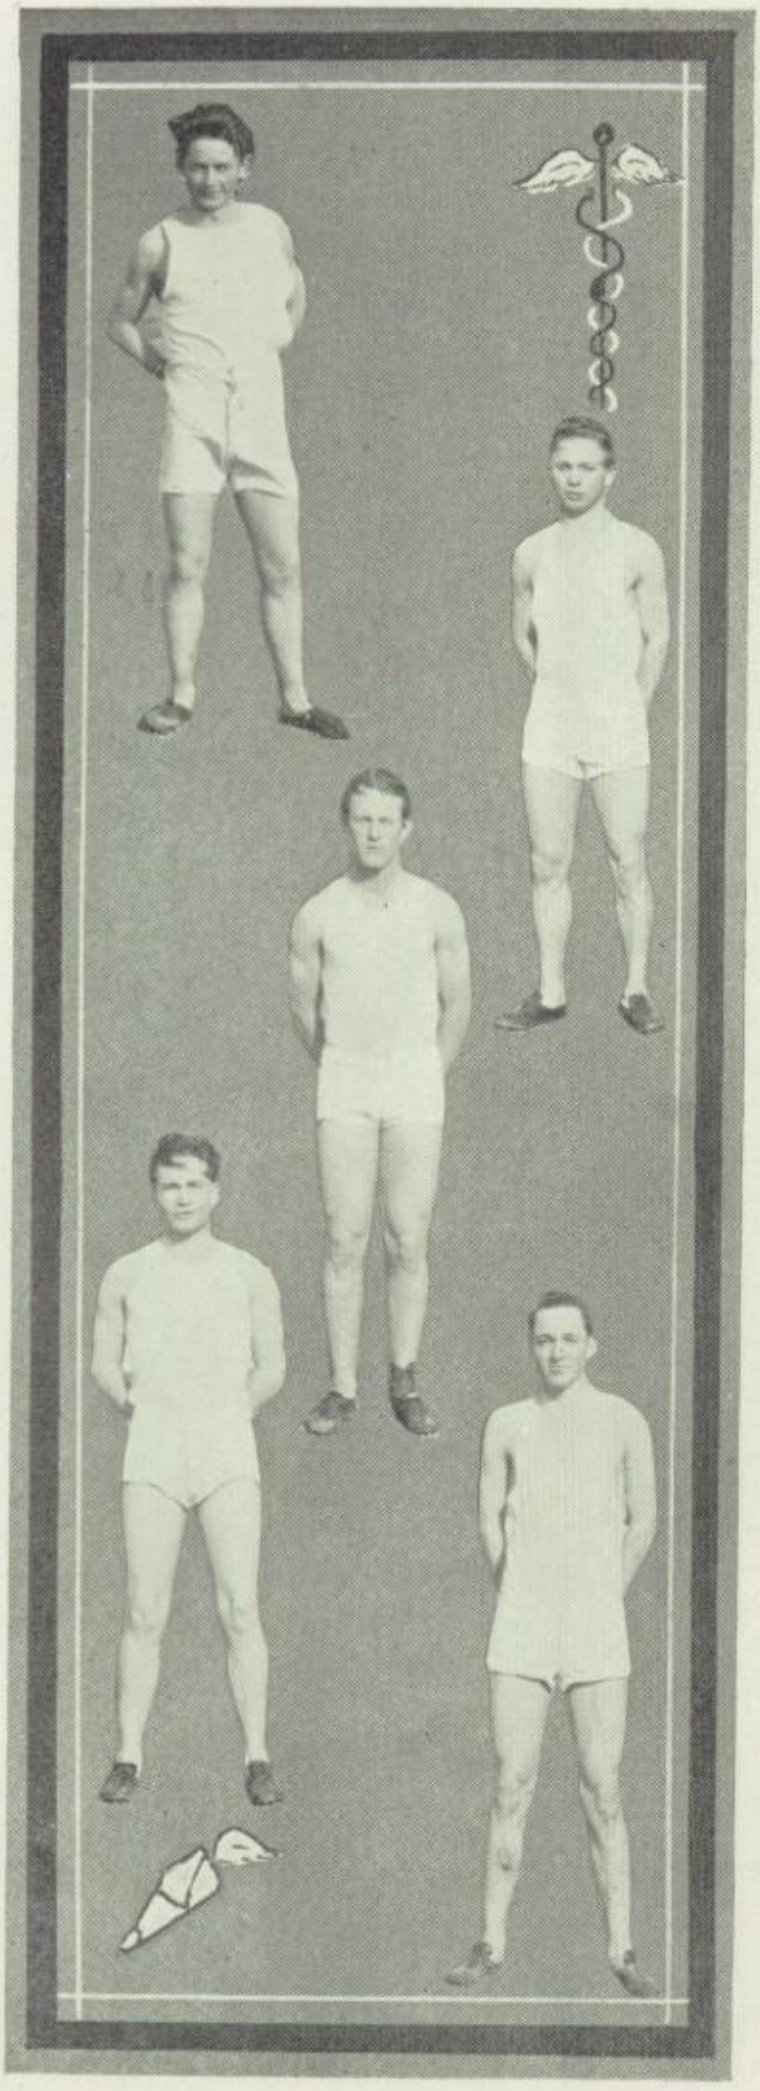
"Empress" started out like a house afire but burned almost down before the season closed. This was his second year on the squad. He entered the 120 yd. high hurdles, the 220, the discus throw, the shot put and the broad jump. He tried at all times. He is a Senior.

JAMES OAKES "Tate"

"Tate" came out for track for his first time this year. His natural athletic ability stood him well in hand and, though suffering a broken shoulder bone he was able to break the District record in the 220. He also placed second in the 100 and third in the high-jump. He is a Senior and his place will be hard to fill.

KENYON ROCKWELL "Ken"

"Ken" was eligible for the first time in his high school history. He was held back by a severe case of flu. He is an ambitious chap and scored in the broad jump and relay at the District meet. With an even break, next year he should be able to take care of our sprints and broad jump to a "Queen's taste."



ARTHUR HAMILTON "Little Arthur"

Arthur made the team his first year out. He ran the mile, showing better form and time on this race each time out. We expect him to be a world-beater next year.

RICHARD GALLE "Dick"

"Dick" in his second year out made us a scoring half-miler. He improved consistently and next year should make us a valuable man.

WILLIAM FLIPPIN "Flip"

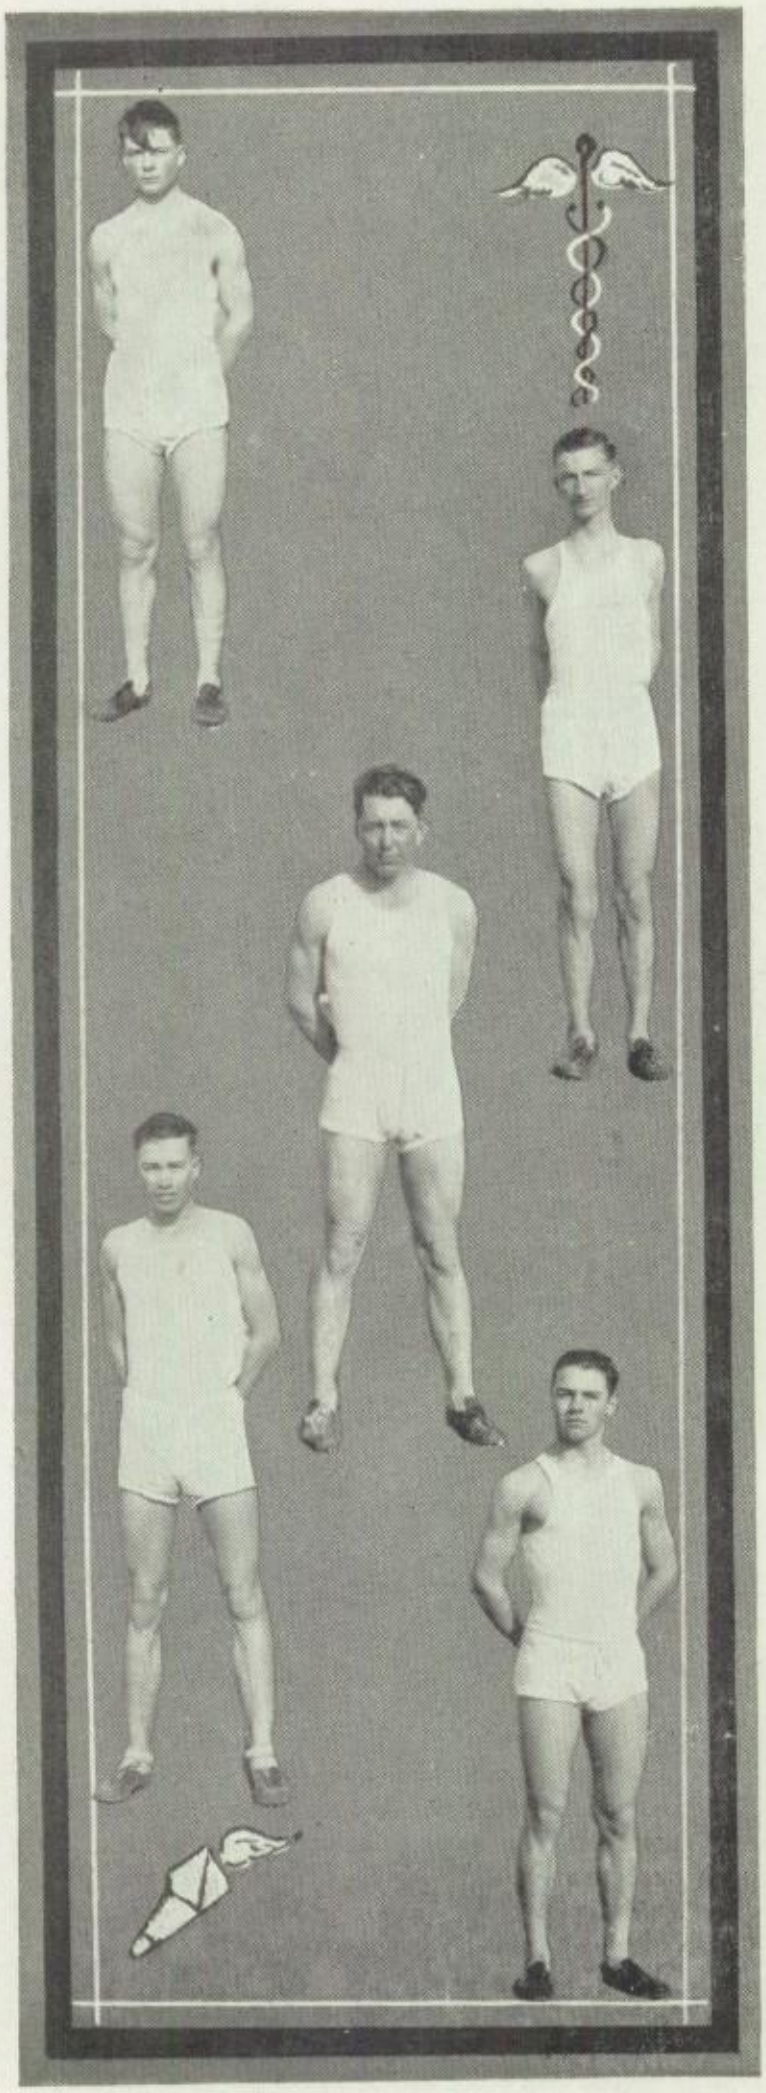
"Flip" came to us from Wichita Falls only a few days before the District meet. Scholastic difficulties kept him out of this meet, however he scored at the Goodwell meet in the 100, 200 yd. low hurdles, javelin throw, 120 yd. high hurdles and the pole vault. He will make an excellent all-round man next year.

ROBERT PUCKETT "Puck"

"Puck" came out late for track this year and qualified for the District Meet in the shot put and javelin throw. He took first in the javelin throw at Abernathy and improved consistently thereafter. He is a Senior.

LEON YOCHAM "Ikey"

"Ikey" ran the 880 yd. run and did the pole vault for us. He was a hard trainer, but had to ease up toward the end of the season. We expect better things of him next year.



ALBERT BOYCE "Tags"

"Tags" came out late and was handicapped by the flu. He, however, developed into a good quarter miler and a fair sprinter. He should go "Great guns" next year.

COOPER DEWEY "Admiral"

"Admiral" waited until his senior year to try out for track. His lone event was the pole vault and he showed consistent improvement in this event. He leaves with our best wishes.

RECTOR WIMBERLY "Rec"

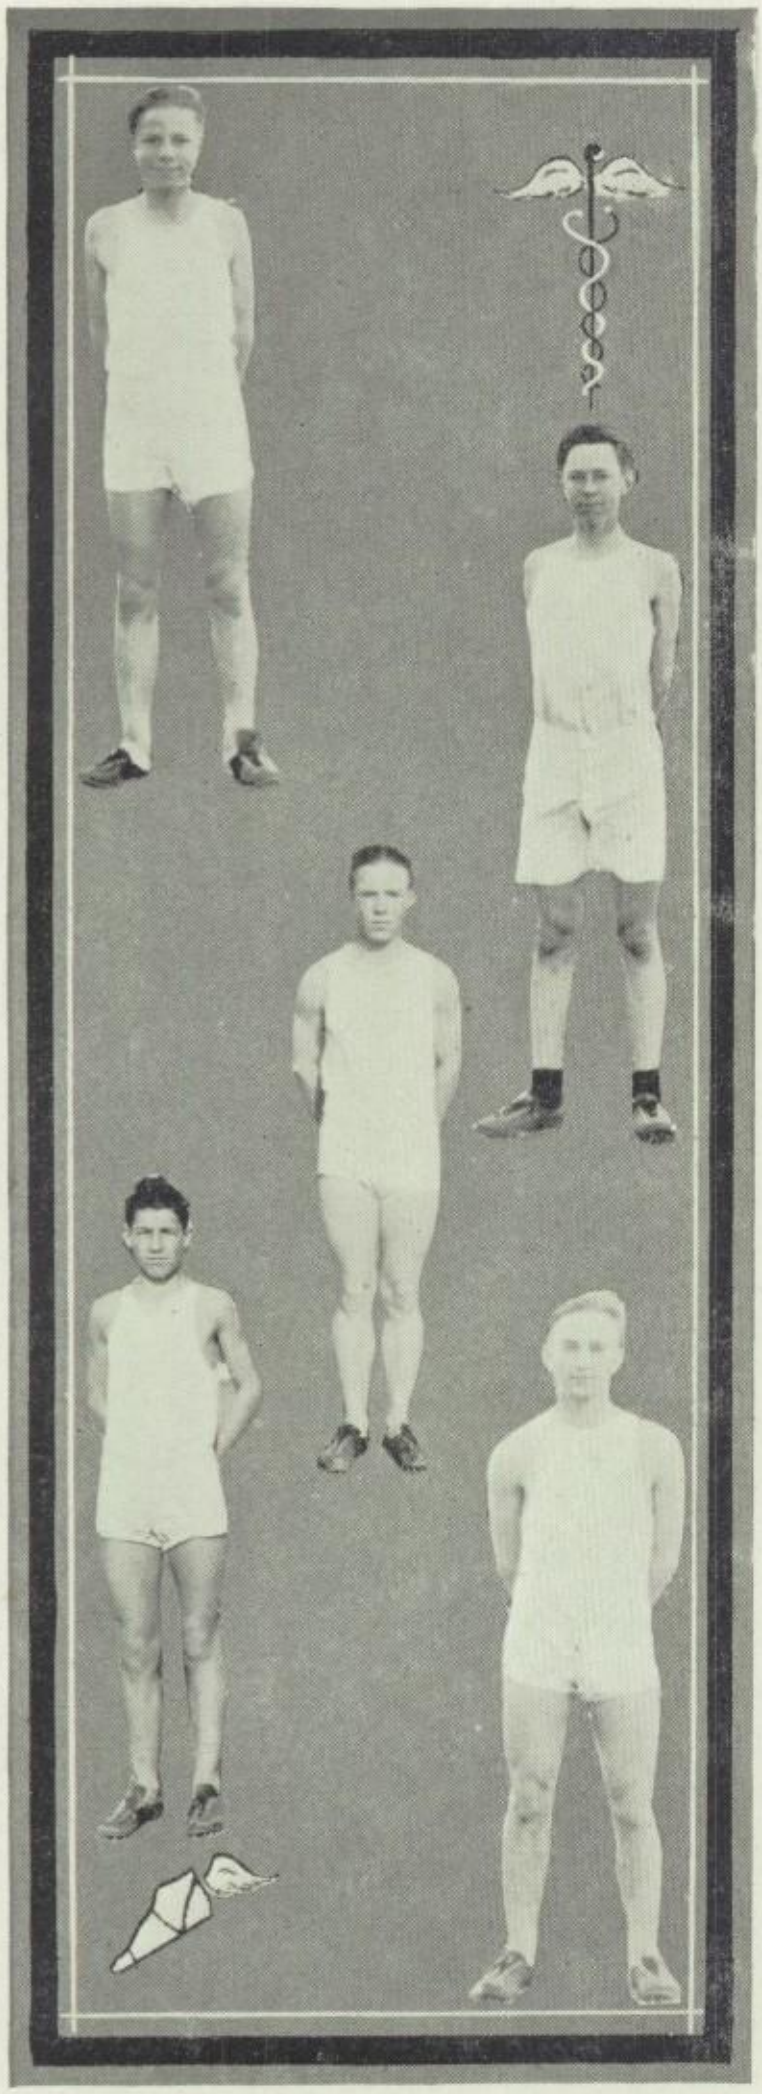
Rector essayed late in the season to be shot putter and a javelin thrower. His late start handicapped him, but we know he has very good possibilities if he but continues his efforts wherever he may choose to go.

JACK MCLEOD "Jack"

Jack has excellent possibilities in both the mile run and the discus throw if he will get ambitious. He qualified for the finals this year in the discus throw at the District Meet. Self-confidence will make him hard to beat

STANLEY HAGAN "Stan"

"Stan" was another of our later starters. He qualified as an entry of our in the District Meet in the half mile run. More consistent work next year should see him a regular point winner.



SHARP MCCULLOUGH "Shoip"

"Sharp" was one of our prospects from last year and would have developed into a good half-miler but for the flu. He ran the half-mile in the District Meet and should make good with a vengeance next year.

BARRETT THOMPSON "Barrett"

"Barrett" was one of our mile runners this year. He can be a sure point winner next year with more regular training. His best race of the year was run at the District Meet.

WESLEY MCDONALD "Otch"

"Otch" has wonderful possibilities as a sprints man. We hope that he starts early next year and stays with it consistently.

EARL PEARCE "Little Pearce"

"Little Pearce" came out when "Big Pearce" quit and showed promise as a distance runner. More consistent training will make a good man of him.

DURWARD GORDON "Dirty"

"Dirty" was ineligible this year but practiced consistently for next year. He scored fourth in the 50 at Goodwell and ran a lap on our relay team there. If eligible, he should be a valuable man next year.

Tennis Resume

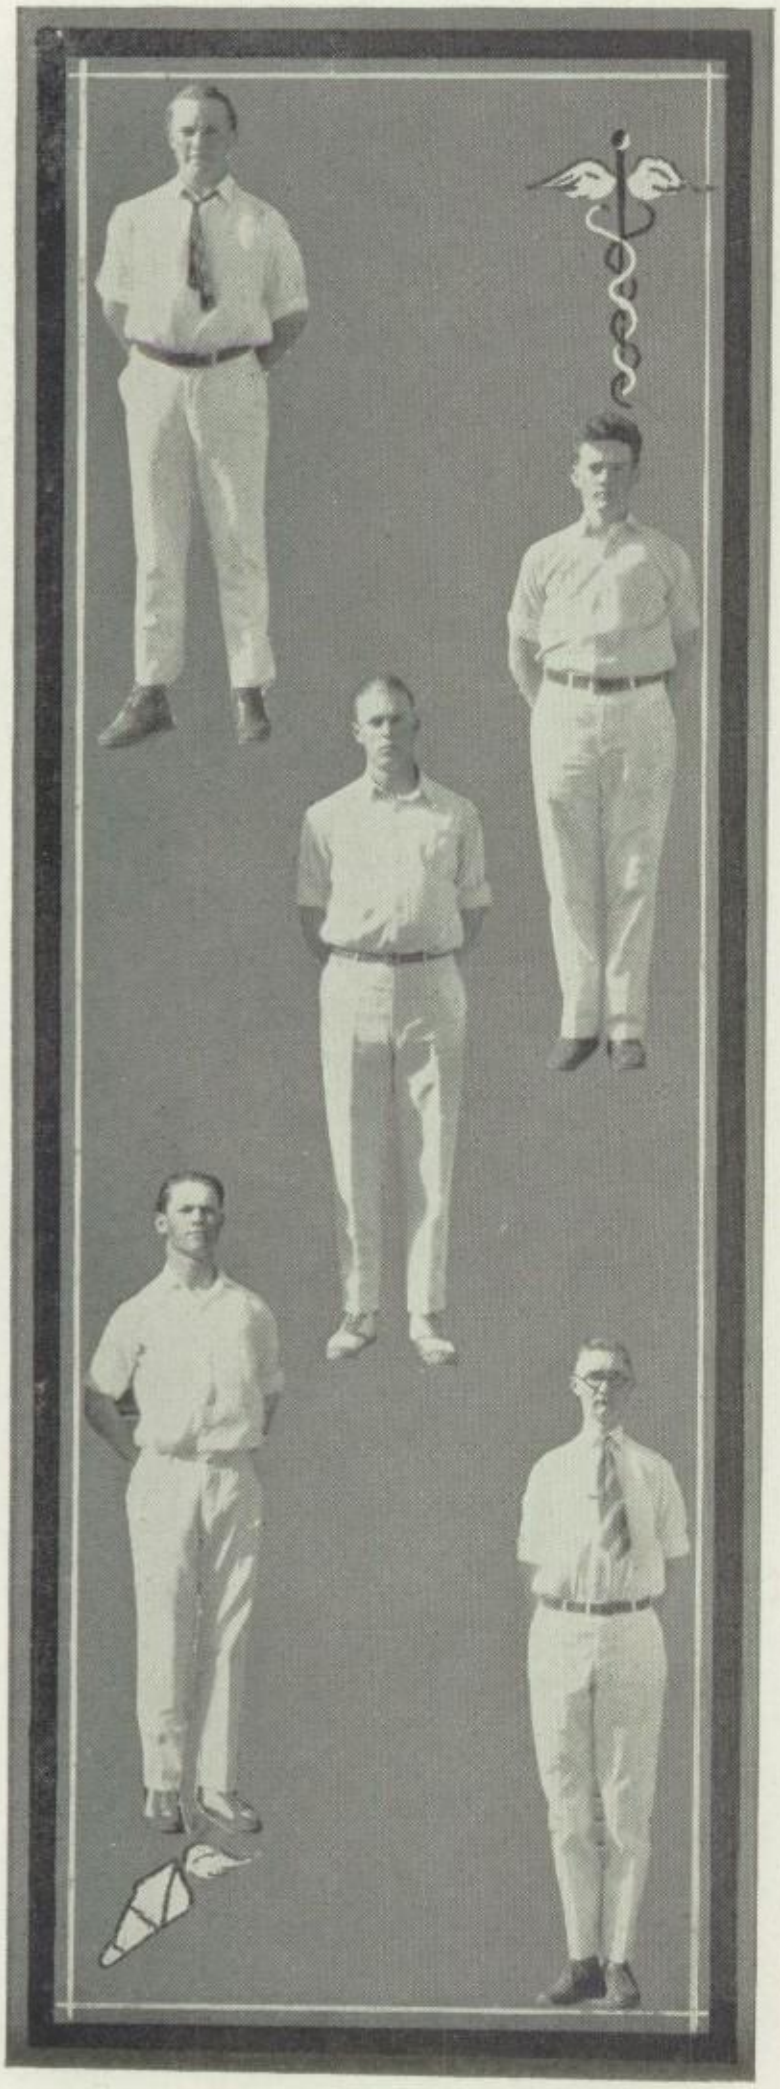
There were fifteen men out for the squad, and our doubles team of the year before was back, so prospects were very bright. However, the weather and other outside influences prevented our team from getting under full steam". We broke even with Claude, Flenniken and Knupp winning the doubles handily while Bishop lost the singles after a hard struggle. Next came our meet with Clarendon in which Bishop and McAfee defeated the Clarendon second team and Flenniken and Knupp won by default when the Clarendon first team failed to show up. They followed an even break with Canyon when Flenniken and Knupp lost a close three-set match and Bishop won with the loss of only one game.

A six set meet with Miami was rained out and a three-set return meet with Canyon was rained out.

Bishop and McAfee represented us in the District Meet in the doubles while Knupp represented us in the singles. Our showing in this years meet could have been much better had the weather permitted.

The prospects for next year are the brightest in the history of the school. Several tournaments are in the making for this summer and the early fall and, if constant practice will count, we will have tennis teams that will bear watching next season.

The girl's tennis team was organized this spring, by Mrs Atwood, this being the first time in several years that a girls team has been formed. The squad consisted of two doubles and one singles team. Askew and Townsend, and Cazzell and Gaut were the doubles teams and Roberts played the singles. Askew and Townsend represented Amarillo in the doubles at the Clarendon meet and at the District Interscholastic League Meet at Canyon, while Roberts represented Amarillo in the singles. Both teams had a very good showing at these meets. With consistent practice throughout the summer as is now planned, the girls should develop a championship team for next year. It is our firm belief that Amarillo will take all honors in both boys' and girls' tennis in the Panhandle next year.



BILL FLENNIKEN "Bill"

"Bill" was paired with Knupp in doubles this year and was winner in the only singles tournament the weather permitted us to complete. He lettered this year, and should make a strong bid in the singles competition of the district next year.

PAUL KNUPP "Cut-Up"

"Cut Up" paired with Flenniken, won two doubles matches this year and lost one. He represented us in singles at the District Meet. He will be lost to us next year by graduation. Luck to you, Paul.

EARL BISHOP "Oil"

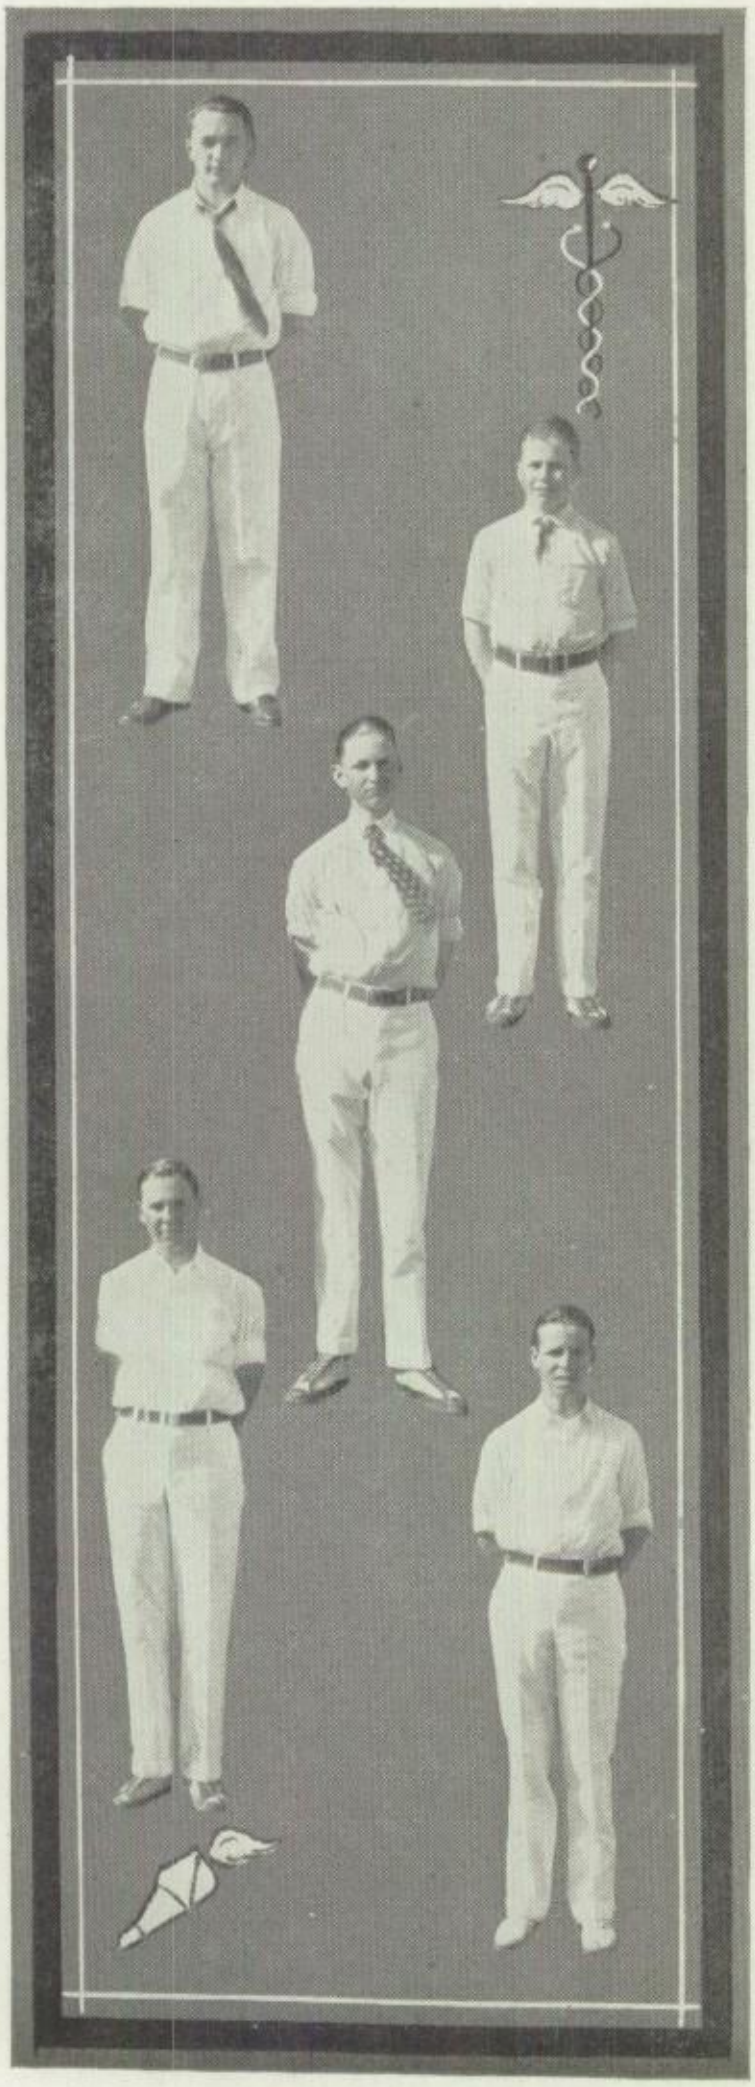
"Oil" was captain of our team this year and with McAfee represented us in the District Meet. The weather man and debating kept him from striking his stride this year, but we expect great things from him next year.

LANE MCAFEE "Cicero"

"Cicero", with Bishop, was runner-up in the District Meet in doubles last year and they were defeated by only the runner-up team this year in the second round. With more practice, he should be hard to beat next year.

ROYCE THOMPSON "Royce"

Royce entered only the singles this year and was hard to beat in a short match. He is a Senior. He was fifth ranking singles man.



ALWARD WHITE "Awkward"

"Awkward" was sixth ranking singles man and played doubles with Doud. He will be back next year.

COLEMAN BARNHILL "Coleman"

"Coleman" proved the dark horse of the singles tournament. He has several years ahead of him and should develop into an excellent singles man. He was with C. Gilliam in the doubles.

JAMES WARD "James Rainwater"

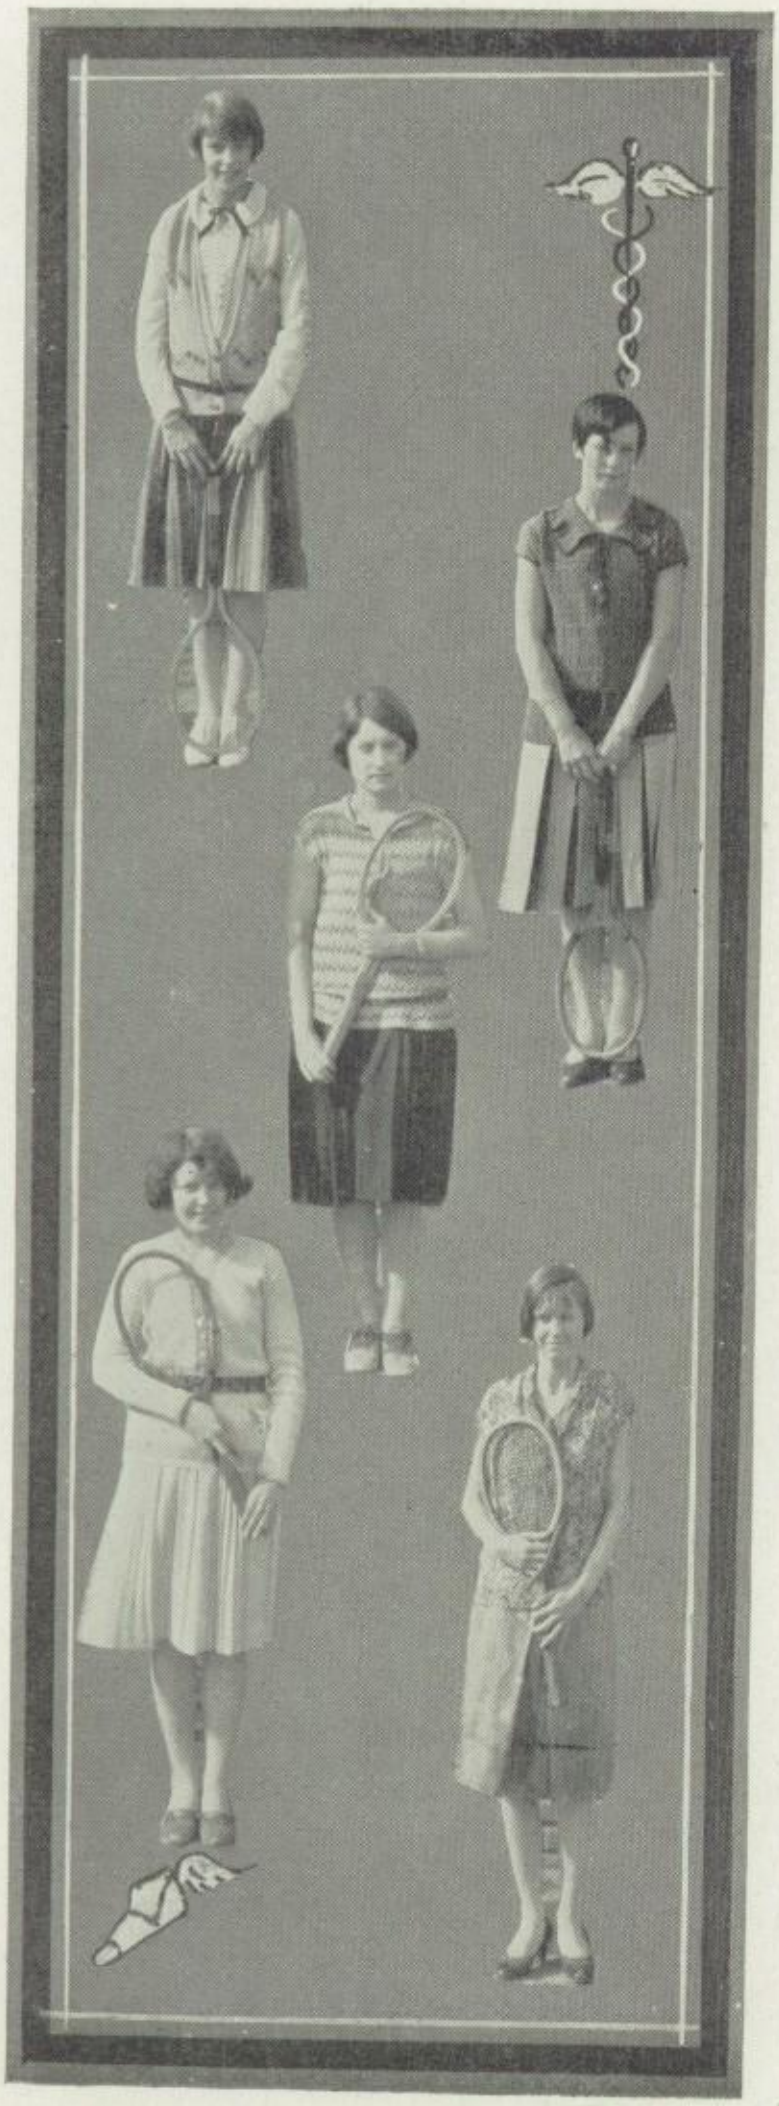
James is our eighth ranking singles playe rand was paired with Buchanan in the doubles. He is a Senior, and leaves us this year.

EDWARD DOUD "Ed"

"Ed" is our ninth ranking player and played doubles with White. He will be with us next year and we believe he will develop into a swift player.

GUS LEFTWICH "Gussie"

"Gussie" is our tenth ranking player and played doubles with Harty. At one time, rain prevented them representing the school in a doubles contest. He should be better next year.



JOSEPHINE TOWNSEND "Jo"

"Jo" was captain of our team this year and with Askew represented Amarillo at the District Meet at Canyon. She was a fast player and always "did her stuff." We expect her, together with Askew, to walk off with the bacon next year.

MARY LOUISE ASKEW "Boots"

"Boots" was a good player, and showed fine form is her game at Canyon. This was her first year and next year she will improve greatly. "Boots and Jo" should beat everything next year.

LUCILLE ROBERTS "Sis"

"Sis" went out for singles this year and played in the semi-finals at Canyon. We're sorry this is her last year in "High" for we have great future hopes for her in tennis. Good luck to you "Sis."

BONITA CAZZELL "Bob"

"Bob", with her partner, Gaut, did good work this year. She didn't qualify for the Canyon meet, but she intends to go out for singles next spring and should be hard to beat.

MILDRED GAUT "Milly"

"Milly" played doubles with Cazzell this spring. She was new at the game, but picked it up rapidly. She will prove a valuable player next year.

Baseball Resume

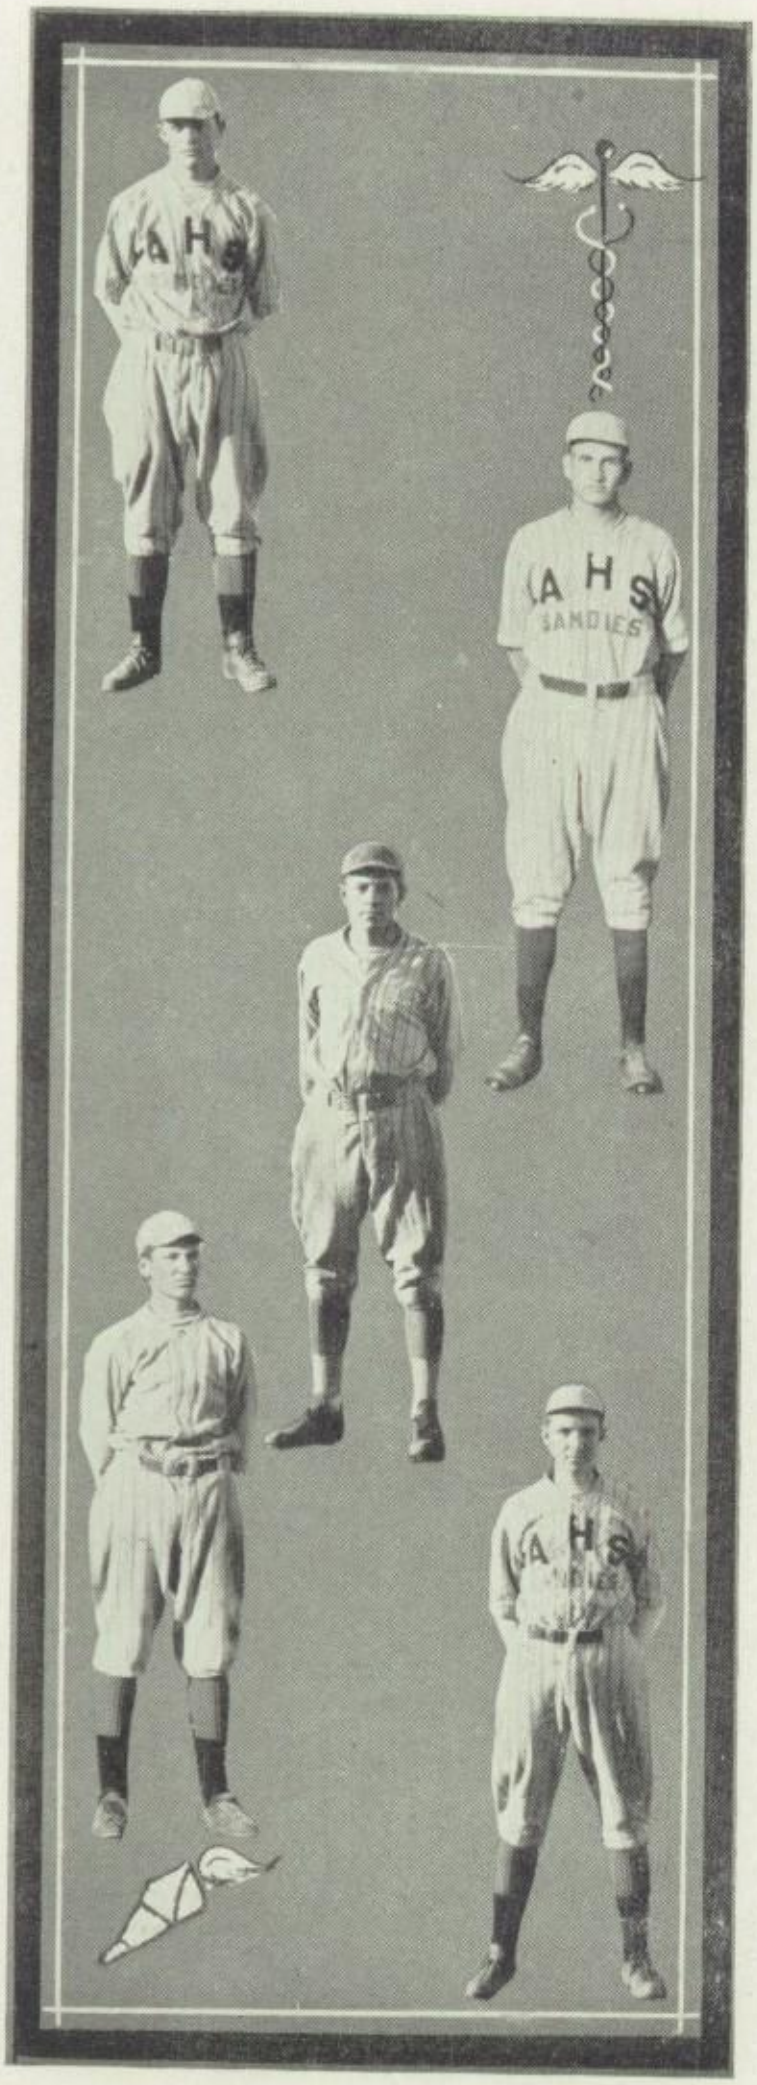
At the first of the season, Coach Hays had to whip a new team around four letter men from last year. Bassett was elected Captain.

The first games of the season were played with the West Texas State Teachers College from Canyon, and the Canyon High School. These games were played for practice and to get a line-up on the players. Several shifts were made after these games. The boys then settled down to work in their positions.

Amarillo lacked a good pitching staff this year as Bassett was the only old head on the team. Larsen and Fairey were used when needed.

Among the teams met and defeated by the Sandies were Canyon High, two games, Slaton, and Lubbock, two games. Those teams that defeated the Sandies were: Plainview and West Texas State Teachers College.

The team for next year has bright prospects for a very successful season. Several old men will be back and with Coach Hays' training, should develop a championship team.



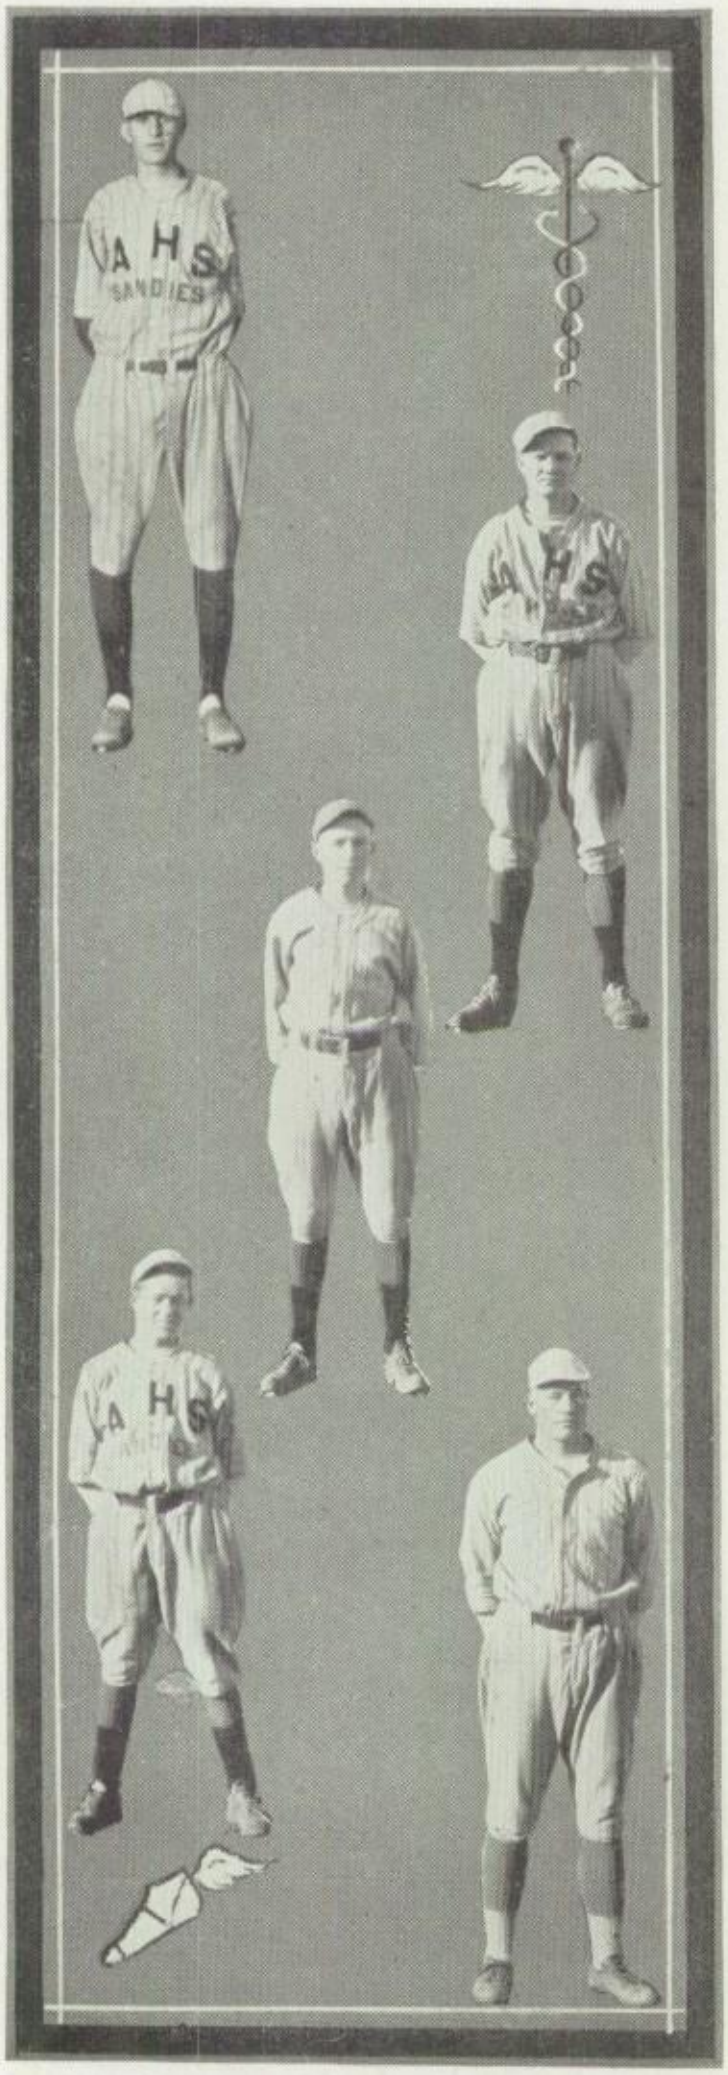
CARTER BASSETT, *Capt. Ptchr.* "Anthony"
This was Carter's third year in Baseball. He pitched and played first base. He throws and bats with his fork hand. He showed good form this year and greater things are expected of him next year.

ALLEN HEATER, *Catcher* "Utility"
Allen played his first year of high school baseball this year. He was a real back stop. He had lots o' pep and was hustling all the time.

FRED REEDER, *Catcher* "Tass"
This was "Tass' " first year in baseball and he possessed the ear marks of a real catcher. Tass improved consistently in the game. He throws and bats left handed.

AUDEAN FAIREY, *First Base* "Cinch"
Audean played first base when Bassett pitched. He developed into a valuable player during the season. Audean bats and throws right handed.

DONALD TROLINGER, *Manager* "Dash"
"Dash" was manager of the Golden Sandstorm Baseball Nine this year. He kept the team hustling and did all that was in his power for his team.



LLOYD TOWNES, *Second Base* "Thos"

"Thos" was in baseball for his first time this year. He was held back for a while on account of an attack of pneumonia, but soon recovered and went back with the team. His knowledge of the game and his aggressiveness proved a big asset to the team.

AUBREY FAIREY, *Third Base* "Cum"

Aubrey played his second year on the team this year. He was one of the most consistent hitters on the team. He had a wonderful throwing arm. He will be back next year and will place as a valuable man.

WOODSON LEEPER, *Short Stop* "Leeper"

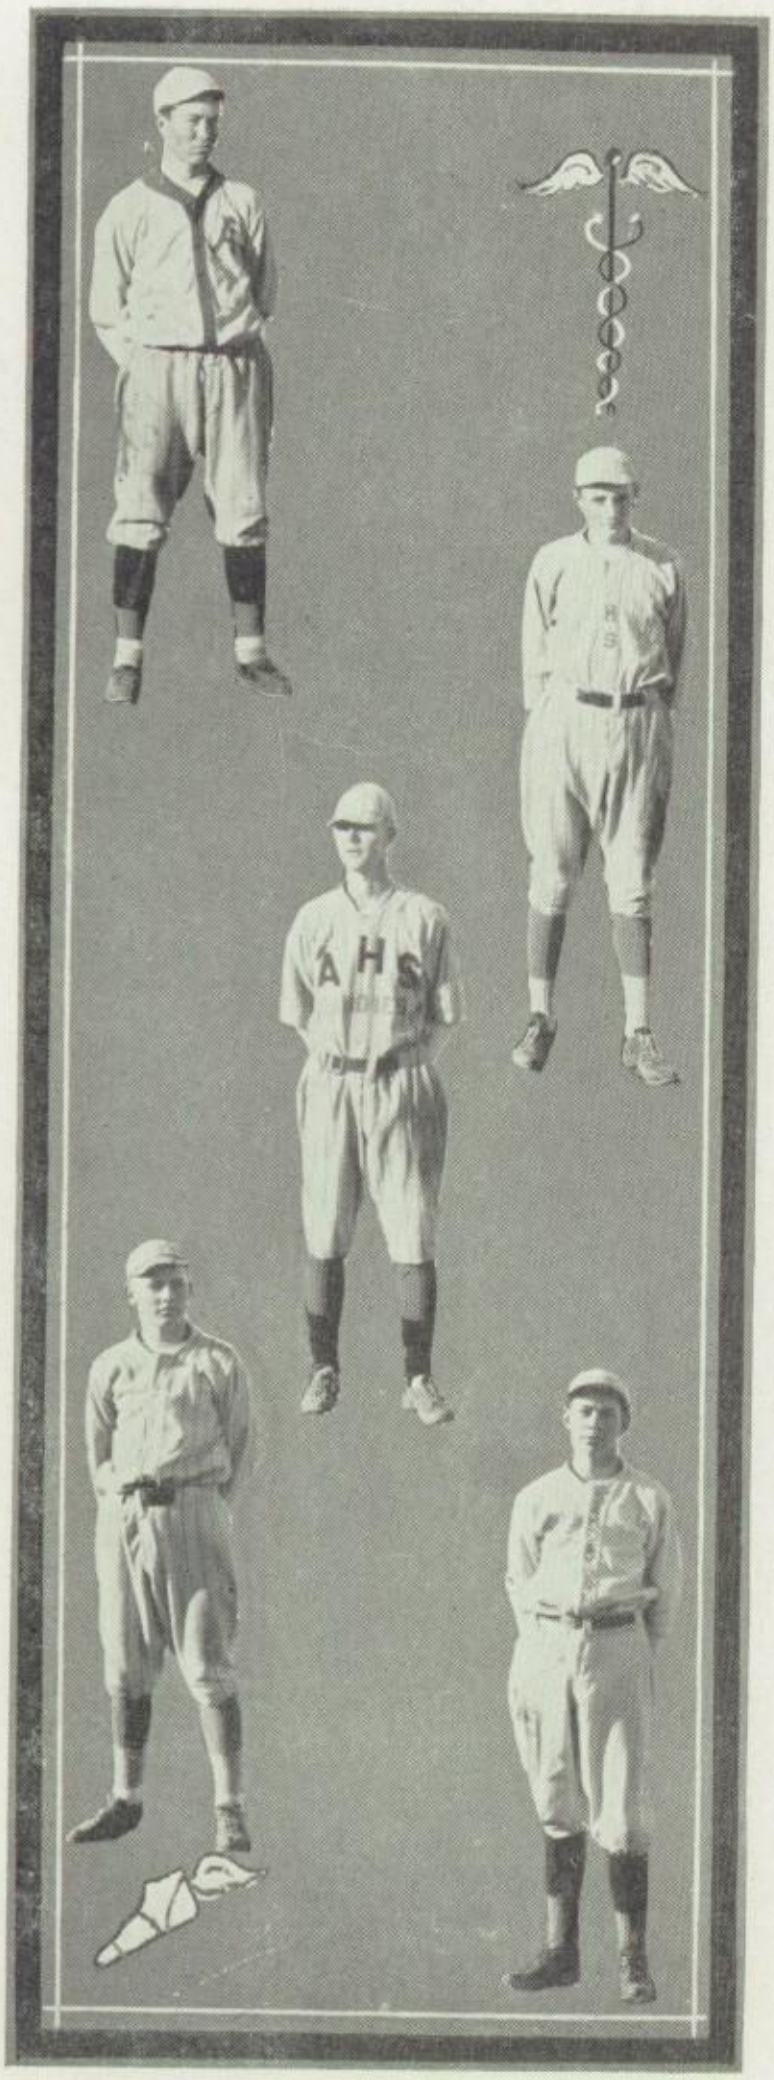
"Leeper" played his first year of baseball during the past season. He filled short stop in a very creditable manner. He was always fighting and observed the rules strictly.

EARL BOYLES, *Short Stop* "Epp"

"Epp" was always upon his toes and working hard. He covered the territory between second and third and has a good arm for first.

ROSS LARSEN, *Right Field* "Swede"

"Swede" takes the pitcher's box when his time comes around. He throws and bats right handed. He possessed a lot of stuff in him and learned to control it. He was a "hitting pitcher."



PAUL MEADOWS, *Outfielder* 'Pablo"

Paul played both positions of catcher and outfielder. He worked hard and before the end of the season, developed into a valuable man.

PAUL GORE, *Left Field* "Gorey"

Although this was Paul's first year on the team, he made a very good player. He played left field and the lot never got too big for him. He was everywhere, and when it comes to "old hickory" he was 'Gorey".

ELLSWORTH BAIRD, *Center Field* "Red"

"Red" played his third year of baseball this season. He never failed to take a chance and in fact he was a glutton after baseballs in the outfield. He was a heavy hitter.

KENNETH TRAVIS, *Second Base* "Kenny"

Travis played second base in his first year of baseball. He was a hard worker and possessed a strong arm which gives promise of making him a real player. He trained very hard.

LOUIS RIDINGS, *Pitcher* "Columbo"

Ridings showed up very well for a beginner. He had all the stuff in him that it takes to make a baseball player. He leaves us this year as he is a Senior.

Our Appreciation

"When your heart goes out to the team you love,
And your soul cries out to win,
You will be paid for all you have spent;
For victory will come in the end."

We take this means of expressing the sincere thanks of the Student Body of Amarillo High to those who have freely given their time and efforts to make the various athletic activities of our school a success.

We appreciate the work of Mr. A. B. Hays, coach of football, basketball and baseball, in producing the champion football team of Northwest Texas, and the excellent basketball and baseball teams. His ability as a coach is portrayed in these teams. We also thank Messrs. Hull and Dutton for their assistance in coaching our boys.

We are grateful for the endeavors of Coach Wilson in developing the strongest track team of which Amarillo has ever boasted. We thank him for his great interest in coaching the tennis teams. He has our gratitude.

Our thanks are due to Mrs. C. P. Atwood for the great interest she has taken in training material for the various girl's athletic activities. She has been a very good coach. We appreciate her work.

We especially wish to give our thanks to Mr. George Lindsay, the Golden Sandstorm's staunchest supporter. The great interest he has taken in the high school athletic teams is deeply appreciated by the entire student body. We will always have a warm spot in our hearts for "Uncle George."

To the Golden Sandstorm Booster Club, we are grateful. The support these business men of Amarillo have given our teams is sincerely appreciated. Their cooperation has been splendid for which they have our many thanks.

THE VILLAGE SENIORS

Under their spreading caps and gowns
The Senior Class did stand;
The class, a mighty class it was
With gold and yellow bands.
And the crowd did yell with a mighty roar
And all the mothers did weep.
The Seniors walked upon the stage
Like a flock of frightened sheep.

Their brows were wet with dishonest sweat,
Their caps and gowns did sway.
They dared not gaze on each others face,
For they cheated where ere they may.
Week in week out—from day to day
You could hear them snapping gum
For a motley crowd was this Senior Class;
Some beautiful and some very dumb.

They went on week days to the school,
And mingled with their friends;
They heard the teachers shout and rave,
And with laughter did bend.
And so as the teachers sighed with delight
On this happy commencement day;
The Senior's faces did glow with a light;
That was never meant to stay.

—Stover Krug.

"Where are you going daughter?"
"Down stairs to get some water."
"In your night gown?"
"No, in this pitcher."

What could a better excuse for not handing in an English theme to Miss Smith than to say you were carrying it in your pocket and the wind blew it out and a cow ate it up?

A TREATISE ON TESTUBES

How dear to my heart, are the scenes of my schooldays,
When fond recollection recalls them to view.
The studyhall, classes, particularly chemistry,
And all the loved (?) spots that my schooldays knew.

The chemistry lab, and the storeroom by it,
The flasks that broke whenever they fell,
The desk of Miss Warren, the supply table nigh it,
And even the glass testubes that always broke so well.

Those fragile glass testubes,
Those breakable testubes,
Those D——glass testubes that broke when they fell.

——Catherine Dohoney—'27.

THE WRITE WAY

He had lent her his pen.
"It writes beautifully," said she
"I'm in love with the holder." said he.
She saw the point.

A girl to be popular today must powder her face and neck.

"Miss Breining is sick in bed today."
"Is that so? What's the complaint?"
"No complaint. Everybody's satisfied."

Do you know how rats get in here?
Naw.
Uh-huh.

Like the bright sun above is to the flowers.
Like the blue sky which kisses the tree.
Like the birds which bring fragrance in showers.
You are like that to me.

(The above little ditty was written in Miss Humphries' Eco class and placed in a certain staff member's note book. Will the author please give us his name?)

Miss Klapproth: "Thanks very much for letting me ride home."
James Ward (A flaming youth): That's allright, don't mention it."
Miss K.: "I won't, don't you."

So give me a gram of phosphate,

And give me the oxygen bottle, Ma,

"Don't be too sure," said the man in the next bed," "they left a sponge in me and had to cut me open again."

And the patient on the other side said:

"Why, they had to open me, too, to find one of their instruuments."

The courteous, intelligent girl presiding day and night at the switchboard is always at the call of the Nation's homes, farms and offices.

Swift and skillful, she serves many people in a very personal way, although not face-to-face, hence little is known of the switchboard operator's Vocation.

High school girls who are planning to work after leaving school will be interested in the many advantages offered by the Vocation of Telephone Operating.

You will find the work interesting, in congenial surroundings, well paid, with opportunity for promotions.

You are invited to call at the telephone office and talk with the Chief Operator about this fascinating Vocation any afternoon between 1 and 5.

Pretty Amarillo Girl Praises New Discovery

Miss Lotta Corns

The following letter from Miss Lotta Corns, Amarillo, Texas is only one of the thousands of letters received in praise to Dr. Blythe Gentry's wonderful new discovery.

"For 14 years, I suffered untold agony with corns and bunions, and sometimes I was confined to a wheelchair. I could not go to dances like other girls, and I couldn't even go riding with my boy friends for fear that I would have to walk back. I tried enumerable cures to no avail. Finally just when physicians were beginning to suggest amputation, I read an ad about Dr. Gentry's Snake Oil Compound.

After using 9 gallons of this wonderful remedy, my corns and bunions quickly disappeared and my feet once more regained their, soft pink tint. Thanks to Snake Oil."

Signed: Lotta Dam Corns.

Like the Amarillo Girl, thousands of sufferers have found relief in Snake Oil Compound which may be applied to parts affected without removing the shoe. For bunions, corns, eczema, blisters, tetters, tired and pale feet, ingrown toenails, etc. saturate the foot in Dr. Gentry's new discovery, Snake Oil Compound. Sold at all Druggists.
